

Just Dig Once

A policy solution to exorbitant construction costs associated with broadband infrastructure

Existing Statewide Policies

“Notification” Policies	Installation/Leasing Policies	
Texas Utah Maine	Arizona California Georgia Minnesota	Illinois Iowa Maryland North Carolina

NCTCOG Involvement

Regional Transportation Council (RTC) Action:

1. MOUs
2. RTC incentivization with Transportation Development Credits

Broadband Deployment Projects:

1. Telecommuting as a Transportation Mode
2. Intelligent Transportation Systems

Regional Dig Once Coordination Committee:

1. Increased municipal broadband deployment in the region
2. Agencies involved
3. Agencies left out

The Municipal Perspective

Benefits to Public Agencies:

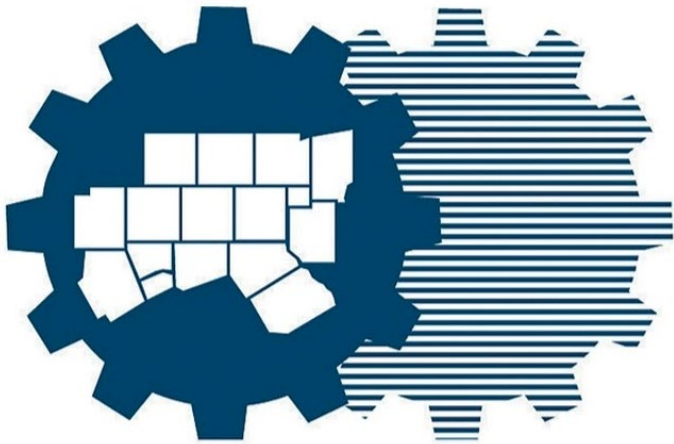

1. Cost Savings
2. Redundancy and Additional Conduit
3. Last Mile Support

The Dallas County Broadband Plan

1. October 2022 – CTC presents “The Dallas County Fiber & Digital Equity Strategic Plan.”
2. November 2022 – The position of Broadband Manager is created and filled.
3. December 2022 – Recurring stakeholder meetings are established.
4. January 2023 – Dallas County partners with the City of Dallas, DISD, and SHA for the 2023 ACP Outreach Grant Program.
5. March 2023 – The FCC awards the largest ACP Outreach Grant Program allocation in the State to the City of Dallas partnership - \$700k.
6. April 2023 – Dallas County launches the Bilingual ACP Enrollment Campaign and Call Center.
7. May 2023 – The Dallas County Broadband Digital Equity Infrastructure RFP is issued.

Thank You
