## ONLINE PUBLIC INPUT OPPORTUNITY

**MONDAY, JULY 10 - TUESDAY, AUGUST 8, 2023**

### WHAT DO YOU THINK?

Learn about transportation in the region and help set future priorities. The Regional Transportation Council (RTC) and North Central Texas Council of Governments (NCTCOG), together serving as the Metropolitan Planning Organization for the Dallas-Fort Worth area, are seeking public input. Information will be posted online at [publicinput.com/nctcogJuly23](https://publicinput.com/nctcogJuly23) for public review and comment Monday, July 10 - Tuesday, August 8, 2023.

### Regional 10-Year Plan Update

Each year, the Regional Transportation Council approves an update to the Regional 10-Year Plan, which identifies major projects to be implemented in the region. An updated draft of the project list covering projects from FY2024 to FY2033 will be presented for review and comment.

### Local Clean Air Projects Showcase and Funding Opportunities

NCTCOG works closely with regional partners to develop and implement strategies, policies and programs to enhance air quality. Additionally, the agency periodically provides opportunities for public and private entities to compete for funding intended to reduce fleet emissions. Staff will highlight Dallas-Fort Worth fleet projects implemented using grant funds and announce current funding opportunities available to fleets.

### DFW Discovery Trail Update

Staff will provide an overview of the completed DFW Discovery Trail branding and wayfinding project, including final branding recommendations.

### Community Gardens Program Guide

NCTCOG's Community Gardens Program guide provides information, resources and tools for city staff and others to develop and implement a public community garden program. Staff will provide an overview of this new initiative.
