Coordinated Land Use and Transportation Planning Task Force

Thursday, January 20, 2022 | 2:00 - 4:00 PM
Zoom Meeting

ABOUT THE TASK FORCE

A quarterly forum for North Texas local governments to discuss best practices around coordinating land use and transportation plans, policies, and projects. The goal of the task force is to provide information sharing and best practices from across the Dallas-Fort Worth region. Each quarter will feature a regional focus topic in addition to local planning updates on a variety of projects.

JANUARY FOCUS: ZONING FOR MULTIMODAL TRANSPORTATION

What is the relationship between zoning and transportation? How can your community develop ordinances that support good design and encourage multiple modes of transportation? Join us for a discussion on how North Texas can improve zoning and design to affect mode choice.

Meeting Topics:

- The connection between zoning and transportation
- Examples of local and national form-based development codes
- Expert panel discussion
