

## WHAT DO YOU THINK? TELL US.

Information will be posted online at [www.nctcog.org/input](http://www.nctcog.org/input) for public review and comment **August 9 - September 7, 2021**. To request printed copies of the information, call 817-608-2365 or email [cbaylor@nctcog.org](mailto:cbaylor@nctcog.org).

### Interactive Public Input: Map Your Experience

NCTCOG's Transportation Department is accepting public input through a new, online map tool. Comments will be used to guide upcoming planning efforts, including an update to Mobility 2045, the region's long-range metropolitan transportation plan. Help us plan for the future by letting us know how the region's transportation system can better serve you. Share your transportation experience at [www.nctcog.org/mapyourexperience](http://www.nctcog.org/mapyourexperience)

### Progress North Texas: Transportation For All

Progress North Texas highlights challenges, opportunities, and developments our region's transportation system has faced in the last year and how we are communicating these changes with residents and partners. For more information or to request printed copies, visit [www.nctcog.org/trans/about/publications/pnt/2021](http://www.nctcog.org/trans/about/publications/pnt/2021)

### Engine Off North Texas Update

The Engine Off North Texas program focuses on reducing unnecessary idling from heavy-duty trucks by providing idling awareness and educational materials to drivers and local governments. These materials include information on alternatives to idling and assist local governments in implementing and enforcing idle reduction policies within their jurisdictions. More information: [www.EngineOffNorthTexas.org](http://www.EngineOffNorthTexas.org)

### Regional Electric Vehicle Infrastructure Opportunities

Electric vehicles (EV) continue to gain popularity in Texas and across the nation as a quiet, clean, and economical alternative to traditional automobiles. EV sales are growing rapidly and are projected to comprise over 30 percent of all vehicles by 2040. This informative presentation will examine various funding opportunities for EV charging station infrastructure and promote applications prior to upcoming funding deadlines.

### NCTCOG Strategic Plan for Downtown Wylie

NCTCOG staff completed the Downtown Wylie Strategic Plan in May 2021 as part of free technical assistance provided to cities through the Unified Planning Work Program. The plan provides infrastructure and policy recommendations that not only support bicycle and pedestrian infrastructure and economic development in Downtown Wylie but also the city's goal for creating a walkable, welcoming, and vibrant downtown.
