1220	Doug Edmonds	Phone call: Discuss deployment procedures
1225	Allen Johnson	Phone call: Discuss specific needs, request deployment/tracking number. Location of deployment, Reliant Park, Allen to call local EOC in Montgomery County.
1231	Lisa Dodson	Email: Sherry Decker has the information on those TERT teams available to respond in texas. I'm in the affected area so unable to help. My phone service is sketchy right now so I can't call her. Here is her cell phone number. _____ I know that there are teams outside of Texas available as well. Not sure if Sherry will get this because the storm went through North Texas as well, so I'm copying Toni Dunne and Doug Edmonds as well.
1242	Jennifer Veber	Phone call: Prepare for deployment. Team Leader: Projected time frame deploy in 4 hours after receiving tracking number. From North Richland Hills PD
1257	Doug Edmonds	I just talked to Sherry and she will be contacting Allen Johnson and Lisa if possible. She has four people possibly ready to deploy. If that is not sufficient, an EMAC request should be initiated immediately through the Texas EMA (not sure of what the right acronym is in Texas). Other states have trained TERT members ready to go, although mustering them will take a little bit of time. The EMAC mission resource package number for TERT is 39.
