The **CONSULTANT** further agrees to include in all subcontracts hereunder a provision to the effect that the subcontractor agrees that **NCTCOG**, **NCTCOG's** funding partners or any of their duly authorized representatives shall, until the expiration of five (5) years after final payment and resolution of audit under the subcontract, have access to and the right to examine any directly pertinent books, documents, papers, and records of subcontractor, involving transactions related to the subcontractor. The subcontractor shall transmit all data records to **NCTCOG** upon request. The term "subcontract" as used in this clause excludes (1) purchase orders not exceeding \$10,000 and (2) subcontracts or purchase orders for public utility services at rates established for uniform applicability to the general public.

All inspections and evaluations shall be performed in such a manner as will not unduly delay the work.

- C. Interest of Members of Congress. No member of or delegate to the Congress of the United States shall be admitted to any share or part of this Contract or to any benefit arising therefrom.
- D. Interest of Public Officials. No member, officer, or employee of the public body or of a local public body during his tenure or for one year thereafter shall have any interest, direct or indirect, in this Contract or the proceeds thereof.
- E. Noncollusion. The **CONSULTANT** warrants that it has not employed or retained any company or person, other than a bona fide employee working for it, to solicit or secure this Contract, and that it has not paid or agreed to pay any company or person, other than a

bona fide employee, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the award or making of this Contract. If the **CONSULTANT** breaches or violates this warranty, **NCTCOG** shall have the right to annul this Contract without liability or, in its discretion, to deduct from the contract price or consideration, or otherwise recover the full amount of such fee, commission, brokerage fee, gift, or contingent fee.

- F. Gratuities. Any person doing business with or who, reasonably speaking, may do business with **NCTCOG** under this contract may not make any offer of benefits, gifts or favors to employees of **NCTCOG**, **NCTCOG's** funding partners or representatives of **NCTCOG's** committees or Boards. Failure on the part of the **CONSULTANT** to adhere to this policy may result in termination of this contract.

Such actions shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The **CONSULTANT** further agrees to insert a similar provision in all subcontracts, except subcontracts for standard commercial supplies or raw materials.

It is the policy of the U.S. Department of Transportation that Disadvantaged Business Enterprises as defined in 49 CFR, Part 26, Subpart A, shall have the maximum opportunity to participate in the performance of contracts financed in whole or part with federal funds under this agreement. Consequently the DBE requirements of 49 CFR, Part 26, exclusive of Subpart D, apply to this agreement. **NCTCOG** and its subcontractors agree to ensure that Disadvantaged Business Enterprises as defined in 49 CFR, Part 26, Subpart A, have the maximum opportunity to participate in the performance of contracts and subcontracts financed in whole or in part with federal funds provided under this agreement. In this regard, **NCTCOG** and its subcontractors shall take all necessary and reasonable steps in accordance with 49 CFR, Part 26, exclusive of Subpart D, to ensure that Disadvantaged Business Enterprises have the maximum opportunity to compete for and perform

contracts. **NCTCOG** and its subcontractors shall not discriminate on the basis of race, creed, color, national origin, sex, or disability, in the award and performance of contracts funded in whole or in part with federal funds.

The **CONSULTANT** agrees to maintain, a DBE commitment throughout the term of this Contract, at a minimum as identified in Appendix D.1. These DBE requirements shall be physically included in any subcontract entered into by the **CONSULTANT**. The **CONSULTANT** shall coordinate DBE commitments and work with **NCTCOG** on an annual basis to determine if there are any necessary revisions. Failure to carry out the requirements set forth shall constitute a breach of Contract and may result in termination of the Contract by **NCTCOG** or other such remedy as **NCTCOG** deems appropriate.

N. Compliance with Regulations. During the performance of this Contract, the **CONSULTANT**, for itself, its assignees, and successors agrees to comply with the Regulations relative to nondiscrimination in federally assisted programs of the Department of Transportation, Title 49, CFR, Part 21 and Title 23, CFR, Part 420.121(m), as they may be amended from time to time (hereinafter referred to as the Regulations), which are herein incorporated by reference and made a part of this Contract. Compliance with these Regulations shall be accomplished in the manner more particularly set out hereinafter in Appendix C of this Contract.

O. Substitution of Subcontractors. **NCTCOG** must approve all substitutions of subcontracts and will determine if the disadvantaged business enterprise percentage goal will be decreased by substituting a majority contractor for a disadvantaged business contractor. Contractors added after the initial execution of this Contract shall be procured in a fair and competitive manner.

- P. Disputes and Remedies. Should disputes arise concerning the Scope of Services or additional work to be performed under this Contract, the **CONSULTANT** and **NCTCOG** shall negotiate in good faith toward resolving such disputes. **NCTCOG** shall be responsible to its funding agencies for the settlement of all contractual and administrative issues arising out of procurement entered into in support of the Unified Planning Work Program. Violation or breach of Contract terms by the **CONSULTANT** may be grounds for termination, and should said disputes be irreconcilable, **NCTCOG** shall terminate the agreement by default. Any increased costs arising from the termination shall be paid by the **CONSULTANT**.
- Q. Property Management and Procurement Procedures. **CONSULTANT** shall comply with procurement standards for federal programs contained in 49 CFR 18, "Uniform Administrative Requirements for Grants and Cooperative Agreements with State and Local Governments," as may be revised or superseded.

Except as otherwise provided in the terms and conditions of the Contract, **NCTCOG** is free to copyright any books, publications, or other copyrightable materials developed in the course of or under a federal agreement. Except as otherwise provided in the terms and conditions of the Contract, the funding agency shall reserve a royalty-free nonexclusive and irrevocable right to produce, publish, or otherwise use, and to authorize others to use, the work for government purposes.
- S. Subcontracts. The **CONSULTANT** is required to perform all work except specialized services or other tasks specifically exempted in the Contract, except that governmental recipients of 23 U.S.C. 104(f) or 402 funds may subcontract as necessary to accomplish

approved work program activities. All subcontracts exceeding \$10,000 in cost shall contain all required provisions of the prime contract.

T. Title VI.

The **CONSULTANT** shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the Regulations, including employment practices when the contract covers a program set forth in Appendix B of the Regulations.

(3) Solicitations for Subcontractors, Including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the **CONSULTANT** for work to be performed under a subcontract, including procurements of materials or leases of equipment, each potential subcontractor or supplier shall be notified by the **CONSULTANT** of the **CONSULTANTS** obligations under this Contract and the Regulations relative to nondiscrimination on the grounds of race, color, national origin, sex, age, religion, or disability.

(4) Information and Reports: The **CONSULTANT** shall provide all information and reports required by the Regulations or directives issued pursuant thereto, and shall permit access

to its books, records, accounts, other sources of information, and its facilities as may be determined by **NCTCOG** or **NCTCOG's** funding partners to be pertinent to ascertain compliance with such Regulations, orders and instructions. Where any information required of a **CONSULTANT** is in the exclusive possession of another who fails or refuses to furnish this information, the **CONSULTANT** shall so certify to **NCTCOG** or **NCTCOG's** funding partners as appropriate, and shall set forth what efforts it has made to obtain the information.

(5) Sanctions for Noncompliance: In the event of the **CONSULTANT's** noncompliance with the nondiscrimination provisions of this contract, **NCTCOG** shall impose such contract sanctions as it or **NCTCOG's** funding partners may determine to be appropriate, including, but not limited to: (a) withholding of payments to the **CONSULTANT** under the Contract until the **CONSULTANT** complies; and/or (b) cancellation, termination, or suspension of the contract, in whole or in part.

(6) Incorporation of Provisions: The **CONSULTANT** shall include the provisions of the above paragraphs of this section in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Regulations, or directives issued pursuant thereto. The **CONSULTANT** shall take such action with respect to any subcontract or procurement as **NCTCOG** or **NCTCOG's** funding partners may direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that, in the event a **CONSULTANT** becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, the **CONSULTANT** may request **NCTCOG** to enter into such litigation to protect the interests of **NCTCOG**, and, in addition, the **CONSULTANT** may request the United States to enter into such litigation to protect the interests of the United States.

If the termination is for default, the notice shall state the manner in which the **CONSULTANT** has failed to perform the requirements of the Contract. The **CONSULTANT** shall account for and return to **NCTCOG** any property in its possession paid for from funds received from **NCTCOG**, or property supplied to the **CONSULTANT** by **NCTCOG**. The **CONSULTANT** shall promptly submit its termination claim for reimbursement to **NCTCOG**, and the parties shall negotiate the termination settlement to be paid. APPENDIX D

DISADVANTAGED BUSINESS ENTERPRISE PROGRAM

APPENDIX D

INSTRUCTIONS TO PROPOSERS REGARDING THE NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS DISADVANTAGED BUSINESS ENTERPRISE PROGRAM

The North Central Texas Council of Governments (NCTCOG) has established a Transportation Department-Wide overall Disadvantaged Business Enterprise (DBE) goal of 25 percent of the final negotiated contract amount for participation on the part of socially and economically disadvantaged individuals in DOT-assisted projects. Specific DBE goals are established for each procurement, dependent upon the type of services being procured. The specific goal identified for this procurement is 31.26 percent of the contract amount. Failure to carry out the requirements set forth in this program shall constitute a breach of contract and after notification of the Department of Transportation, may result in termination of the agreement or contract by NCTCOG or other such remedy as NCTCOG deems appropriate.

NCTCOG defines “socially and economically disadvantaged” as persons who are citizens or lawful permanent residents of the United States and who are:

1. Women
2. Black Americans (includes persons having origins in any of the Black racial groups of Africa);
3. Hispanic Americans (includes persons of Mexican, Puerto Rican, Cuban, Central, or South American, or other Spanish or Portuguese culture or origin, regardless of race);
4. Native Americans (includes persons who are American Indians, Eskimos, Aleuts or Native Hawaiians);
5. Asian-Pacific Americans (includes persons whose origins are from Japan, China, Taiwan, Korea, Vietnam, Laos, Cambodia, the Philippines, Samoa, Guam, the U.S. Trust Territories of the Pacific, and the Northern Marianas);
6. Asian-Indian Americans (includes persons whose origins are from India, Pakistan, and Bangladesh); or
7. Any other minorities or individuals found to be disadvantaged by the Small Business Administration pursuant to section 8(a) of the Small Business Act.

A “Disadvantaged Business” means a small business concern

1. which is at least 51 percent owned by one or more socially and economically disadvantaged individuals, or, in the case of any publicly owned business, at least 51 percent of the stock of which is owned by one or more socially and economically disadvantaged individuals; and
2. whose management and daily business operations are controlled by one or more of the socially and economically disadvantaged individuals who own it.

A “Small Business Concern” means a small business as defined pursuant to Section 3 of the Small Business Act and relevant regulations promulgated pursuant thereto. If a business is not a small business according to these standards, it is not eligible to participate as a disadvantaged business under 49 CFR Part 26.

In order to receive favorable consideration for this project, proposers are expected to provide assurances, in writing, that at least 31.26 percent of the contract amount will go to disadvantaged businesses. This can be done by completing Attachment D.1 of this Appendix and supplying whatever other supplemental information is necessary.

To comply with NCTCOG's DBE requirements, it will be necessary to supply the following:

1. A copy of the DBE's certification from the Small Business Administration (SBA) or the North Central Texas Regional Certification Agency (NCTRCA)

and

2. Attachment D.4 - Affidavit of Intended Entrepreneurship

APPENDIX E

SELECTION CRITERIA

APPENDIX E

SELECTION CRITERIA TO INSURE THAT PRIME CONTRACTS AWARDED TO COMPETITORS MEET DBE GOALS

- A. If any competitor offering an acceptable work program meets the DBE contract goal, NCTCOG shall presume conclusively that all competitors that failed to meet the goals have failed to exert sufficient reasonable efforts and consequently are ineligible to be awarded the contract.

- B. To demonstrate sufficient reasonable efforts to meet the DBE contract goal, the competitors shall document the steps it has taken to obtain DBE participation, including but not limited to, the following:
 - 1. Attendance at a prebid conference, if any scheduled by NCTCOG, to inform DBEs of contracting opportunities under a given solicitation;
 - 2. Advertisement in general circulation media, trade association publication, and minority-focus media for at least 20 days before proposals are due. If 20 days are not available, publication for a shorter reasonable time is acceptable.
 - 3. Written notification to DBEs that their interest in the contract is solicited;
 - 4. Efforts made to select portions of the work proposed to be performed by DBEs in order to increase the likelihood of achieving the stated goals;
 - 5. Efforts to negotiate with DBEs for specific subbids including at a minimum:
 - a. The names, addresses, and telephone numbers of DBEs that were contacted;
 - b. A description of the information provided to DBEs regarding the plans and specifications for portions of the work to be performed; and
 - c. A statement of why additional agreements with DBEs were not reached.
 - 6. Concerning each DBE the competitor contacted but rejected as unqualified, the reasons for the competitor's conclusion;
 - 7. Effort made to assist the DBEs contacted that needed assistance in obtaining bonding or insurance required by the competitor or NCTCOG.

- C. Competitors that fail to meet DBE goals and fail to demonstrate sufficient reasonable efforts shall not be eligible to be awarded the contract.

- D. To insure that all obligations under contracts awarded to DBEs are met, NCTCOG shall review the consultants' DBE involvement during the performance of the contract. The consultant shall bring to the attention of NCTCOG any situation in which regularly scheduled progress payments are not made to DBE subcontractors.

APPENDIX F

COUNTING DBE PARTICIPATION TOWARD GOAL

APPENDIX F

COUNTING DBE PARTICIPATION TOWARD MEETING DBE GOALS

DBE participation shall be counted toward meeting DBE goals as follows:

- A. Once a firm is determined to be an eligible DBE, the total dollar value of the contract awarded to the DBE is counted toward the applicable goals.
- B. The total dollar value of a contract to a DBE owned and controlled by both minority males and nonminority females is counted toward the goals for minorities and women, respectively, in proportion to the percentage of ownership and control of each group in the business. The total dollar value of a contract with a DBE owned and controlled by minority women is counted toward either the minority goal or the goal for women, but not to both. NCTCOG or the consultant employing the firm may choose the goal to which the contract value is applied.
- C. NCTCOG or the consultant may count toward its DBE goals a portion of the total dollar value of a contract with a joint venture eligible under the standards equal to the percentage of the ownership and controls of the DBE partner in the joint venture.
- D. NCTCOG or the consultant may count toward its DBE goals only expenditures to DBEs that perform a commercially useful function in the work of a contract. A DBE is considered to perform a commercially useful function when it is responsible for execution of a distinct element of the work of a contract and carrying out its responsibilities by actually performing, managing, and supervising the work involved. To determine whether a DBE is performing a commercially useful function, NCTCOG or the consultant shall evaluate the amount of work subcontracted, industry practices, and other relevant factors.
- E. Consistent with normal industry practices, a DBE may enter into subcontracts. If a DBE contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the DBE shall be presumed not to be performing a commercially useful function. The DBE may present evidence to rebut this presumption to NCTCOG. NCTCOG's decision on the rebuttal of this presumption is subject to review by the federal funding agency.
- F. NCTCOG or the consultant may count toward its DBE goals expenditures for materials and supplies obtained from DBE suppliers and manufacturers, provided that the DBEs assume the actual and contractual responsibility for the provision of materials and supplies.
 1. NCTCOG or the consultant may count its entire expenditure to a DBE manufacturer (i.e., a supplier that produces goods from raw materials or substantially alters them before resale.)
 2. NCTCOG or the consultant may count 20 percent of its expenditures to DBE suppliers that are not manufacturers, provided that the DBE supplier performs a commercially useful function in the supply process. Exemptions from the 20 percent rule may be requested from DOT's office of Civil Rights.

DEBARMENT & SUSPENSION

CERTIFICATION REQUIREMENTS FOR RECIPIENTS OF GRANTS AND COOPERATIVE AGREEMENTS REGARDING DEBARMENT AND SUSPENSIONS

Department of Transportation (DOT) Circular 2015.1 excludes entities and individuals that the federal government has either debarred or suspended from obtaining federal assistance funds through grants, cooperative agreements, or third-party contracts. NCTCOG has elected to include the requirements of the DOT Circular 2015.1 in all third-party contracts for federal funds. A certification process has been established by 49 C.F.R. Part 29 as a means to ensure that debarred, suspended, or voluntarily excluded persons do not participate in a federally assisted project. The inability of a person to provide the required certification will not necessarily result in a denial of participation in a covered transaction. A person that is unable to provide a positive certification as set forth in the Circular may submit a complete explanation attached to the certification. DOT will consider the certification and any accompanying explanation in determining whether or not to provide assistance for the project. **Failure to furnish a certification or any explanation may disqualify that person from participating in the project.**

Each potential third-party contractor, subcontractor under a third-party contract, subgrantee, or subrecipient must provide to the grantee or recipient of a cooperative agreement, as appropriate, a certification for a lower tier participant. In general, lower-level employees or procurements of less than \$25,000 will not be covered by the certification process procedures, except in the case of procurements with individuals that would have a critical influence on or substantive control over the project; nevertheless, a participant is not authorized to involve a lower-level employee or enter into a contract of less than \$25,000 with a person actually known by the participant to be debarred, suspended or voluntarily excluded.

NCTCOG requires each potential contractor subgrantee, or subrecipient for a third-party contract to complete the certification in Attachment J.1 for itself and its principals.

If an applicant for a grant or cooperative agreement or a potential contractor for a third-party contract knowingly enters into a lower-tier covered transaction such as a third-party contract or subcontract under a major third-party contract or subgrant with a person that is suspended, debarred, ineligible, or voluntarily excluded from participation in the project, in addition to other remedies available to the federal government, DOT may terminate the grant or subcontract, the underlying grant or cooperative agreement for cause or default.

CERTIFICATION INFORMATION

This certification is to be used by contractors pursuant to 49 CFR 29 when any of the following occur:

- any transaction between the contractor and a person (other than a procurement contract for goods and services), regardless of type, under a primary covered transaction
- any procurement contract for goods or services when the estimated cost is \$25,000 or more
- any procurement contract for goods or services between the contractor and a person, regardless of the amount, under which the person will have a critical influence on or substantive control over that covered transaction. Such persons include principal investigators and providers of federally required audit services.

A *procurement* transaction is the process of acquiring goods and services.

A *nonprocurement* transaction is the granting of financial assistance to entities to assist the grantor in meeting objectives that are mutually beneficial to the grantee and grantor.

A COPY OF THIS CERTIFICATION IS TO BE FURNISHED TO AUTHORIZED REPRESENTATIVES OF THE STATE OR THE U.S. DEPARTMENT OF TRANSPORTATION UPON REQUEST.

As a recipient of a federal grant exceeding \$100,000, NCTCOG requires its subcontractors of that grant to file a certification, set for in Appendix K.1, that neither the agency nor its employees have made, or will make, any payment prohibited by the preceding paragraph.

Subcontractors are also required to file with NCTCOG a disclosure form, set forth in Appendix K.2, if the subcontractor or its employees have made or have agreed to make any payment using nonappropriated funds (to include profits from any federal action), which would be prohibited if paid for with appropriated funds.
