

Repair and Replacement Assistance Available

AirCheckTexas Drive a Clean Machine Program

The AirCheckTexas Drive a Clean Machine Program is designed to help vehicle owners comply with vehicle emissions standards. It targets the highest polluting vehicles by offering financial incentives to remove them from the roadways, and allows citizens to contribute to the regional air quality solution.

Residents of the Dallas-Fort Worth nonattainment counties (Collin, Dallas, Denton, Ellis, Johnson, Kaufman, Parker, Rockwall, and Tarrant) may be eligible to receive vouchers for \$3,000 toward the purchase of a newer car or truck and \$3,500 toward a hybrid vehicle from participating auto dealers. Up to \$600 for repair assistance is also available. Recipients must meet the income requirements outlined below. Vehicles must also meet the conditions listed to the right.

Eligible Annual (Net) Income Guidelines (As of February 2009)	
Size of Household	Maximum Net Income Per Year
1	\$32,490
2	\$43,710
3	\$54,930
4	\$66,150
5	\$77,370
6	\$88,590
7	\$99,810
8	\$111,030
Over 8	Add \$11,220 for each additional member

For more information about the AirCheckTexas program, contact us at 800-898-9103 or visit our Web site for details: www.nctcog.org/airchecktexas

Vehicle Requirements for Assistance:

- Currently registered in a participating county and has been for at least 12 months prior to the application
 - Passed a DPS safety and emissions inspection within 15 months of application
 - Driveable and gasoline-powered
 - Failed an emissions test within 30 days of application
- OR
- If the vehicle is at least ten years old or older and meets the first 3 requirements, then it does not have to fail an emissions test to qualify for replacement assistance

If you meet the above requirements, the following vehicle-replacement assistance will be provided:

- \$3,500 for a hybrid, current or previous model year
- \$3,000 for a car, current or previous three model years
- \$3,000 for a truck, current or previous two model years

Replacement Vehicle Requirements:

- Federal Emissions Standards Tier 2, Bin 5 or cleaner
- 10,000 pounds or less
- Cost less than \$25,000 before tax, title and license
