Senior Program Manager

SUBJECT: Regional Veloweb Review Meeting Schedule – Johnson/Ellis Counties

The North Central Texas Council of Governments (NCTCOG) would like to extend an invitation for you to attend an upcoming county workshop regarding the Regional Veloweb off-street trail network. The series of county-specific trail review workshops were initiated at the end of January as an opportunity for local government staff, interested bicycle and pedestrian parties, and citizens to provide feedback on existing and planned regional facilities.

These county meetings facilitate continued discussion regarding methods for implementing, coordinating, and expanding the Regional Veloweb Plan. In addition, a map exercise specific to each county meeting, will allow you to visually aid NCTCOG in identifying locations for updates and potential trail realignment or extensions.

The next meeting in the series of county-specific meetings has been scheduled:

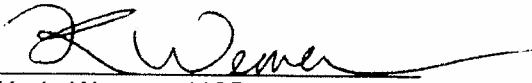

August 5, 2008

2:00 p.m.

**Joint Johnson and Ellis County Meeting
Midlothian Conference Center
1 Community Circle Drive, Midlothian, Texas**

For further information and maps to the meeting, visit our website at:
nctcog.org/trans/sustdev/bikeped/veloweb.asp.

Thank you for your support of the NCTCOG Bicycle and Pedestrian Program. We look forward to your participation in implementing these projects. If you have any questions, please do not hesitate to contact Jen Ebel at (817) 695-9255 or jebel@nctcog.org.
