*FFCS stands for Federal Functional Classification Status. Federal Functional Classification is used to determine design standards of roads and determines federal funding eligibility based on the classification type. Roads expected to be constructed within 4 years will be added to FFCS according to FHWA guidance.

**Classification based on existing facility. New alignment will be reclassified when funds are available for construction and/or once it has been constructed according to FHWA FFCS (Federal Functional Classification System) guidance.

Note: Locally funded roads are not required to be classified.
