PRESENTATIONS

Regional 10-Year Plan Update

In December 2016, the Regional Transportation Council approved a 10-year plan identifying major projects to be implemented in the region by Fiscal Year 2026. An updated draft of the project list and details on the project prioritization process will be presented for review and comment.

Alternative Fuel Highway Corridors

The Federal Highway Administration has started designating highway corridors for various alternative fuels. Staff will present the status of corridor designation in Texas, how NCTCOG is involved and what drivers can look for in the near future.
