

NCTCOG Rebate Risk and Oversight Assessment - North Texas Diesel Emissions Reduction

Organization Information

Glossary of Terms

2 CFR 200 - Known as the Uniform Guidance, is a listing of the regulations that are followed when federal grants are awarded to subrecipients. It may be used in connection with other regulations as outlined by the funding agency or the pass-through entity.

Program Beneficiary - A business entity (your organization) that receives a rebate from a pass-through entity (NCTCOG) to carry out part of a federal program.

Pass-through Entity - A non-federal entity (NCTCOG) that provides a rebate to a business entity to carry out part of a federal program. (In this case, NCTCOG is the pass-through entity.)

Rebates - Participant support costs used for subsidies, and similar one-time, lump-sum payments to program beneficiaries for the purchase of eligible emission control technologies and vehicle replacements. A rebate may be provided through any form of legal agreement, including an agreement that the pass-through entity (NCTCOG) considers a contract.

Fiscal Year - A year determination as reckoned for taxing or accounting purposes. May be October - September (federal fiscal year) or September - August (State of Texas fiscal year) or January - December (standard calendar year) or other as determined by your organization.

Instructions - Please provide the information requested below and submit any additional requested documentation via the Organization Documentation browser area listed on the last page of this Questionnaire. This information should be provided for the entity as a whole, not by a branch or department. (For example: Information is given for the City of Fort Worth, not just the Fort Worth Water Department). **All blanks must be completed.** If there is an asterisk (*) at the beginning of a question, all blanks in that question must be completed before moving to the next question. If there is no response to a question, please enter **N/A**. You may be contacted by NCTCOG if questions are skipped.

Risk Assessment Questionnaire

Glossary of Terms

Negotiated Indirect Cost Rate 2 CFR 200.332(a)(4) - Reimbursement rate negotiated between the federal government and a subrecipient organization which reflects the indirect cost (e.g. facilities and administrative costs) and fringe benefits expenses incurred by the organization in the conduct of federal programs. In order to associate these costs to a particular grant, an agency/organization must complete an indirect rate calculation and have it approved by their cognizant (agency that provided the majority of their grant/funding/money) agency to recover some of the costs of these grants.

*** Does your organization have/use: (Check all that apply)**

- A negotiated Indirect Cost Rate from a cognizant Federal agency
- A negotiated Indirect Cost Rate from another pass-through entity
- The de minimis rate
- Cost allocation plan - reviewed internally
- Cost allocation plan - reviewed externally (by CPA or funding agency)
- Cost allocation plan - not reviewed
- Not applicable - do not have an indirect rate/cost allocation plan or do not intend to charge indirect costs
- Direct costs only - do not intend to charge indirect costs
- Not sure what is being asked
