Regional Transportation Council  
September 9, 2021

# CANCELLATION OF THE AUGUST 2021 TIP/STIP MODIFICATION CYCLE

**Due to the late approval of the 2021-2024 TIP/STIP, the Texas Department of Transportation (TxDOT) determined that the August 2021 STIP Revision Cycle would be cancelled.**

- The 2021-2024 STIP approval letter is attached for reference.

**Therefore, any August 2021 TIP/STIP modifications requiring United State Department of Transportation (US DOT) approval will be processed as a part of the upcoming November 2021 TIP/STIP Revision Cycle.**

- Projects that do not require US DOT approval are approved and TIP modification transmittal letters will be mailed soon. The included list contains August 2021 TIP modification requests that do not require US DOT approval.
- Projects originally submitted in late July for the November 2021 STIP Revision Cycle will proceed as normal and August modifications will be sent down to TxDOT with the November modifications.

**Anticipated timeline for submission to the State and for approval of August 2021 and November 2021 revisions:**

- Submission of STIP revisions to the State: Late September 2021
  - US DOT approval: Mid to late January 2022

Joint Approval of FY 2021-2024 Statewide  
Transportation Improvement Program (STIP)

Marc D. Williams  
Executive Director  
Texas Department of Transportation  
125 E. 11<sup>th</sup> Street  
Austin, Texas 78701

Dear Mr. Williams:

We have reviewed the FY 2021-2024 Statewide Transportation Improvement Program (STIP) received electronically on April 12, 2021.

In accordance with 23 CFR §450.218, the FY 2021-2022 STIP includes the Transportation Improvement Programs (TIP) for each of Texas' Metropolitan Planning Organizations (MPO). We jointly find that the State of Texas and its twenty-three MPOs have generally complied with the joint statewide and metropolitan planning regulations issued by FTA and FHWA pursuant to Title 23 United States Code (USC) §134 and 135, and the Federal Transit Act under Title 49 USC, as certified within the STIP documentation.

Based upon our review, the FY 2021-2024 STIP is hereby approved subject to the enclosed comments. Please note that individual project comments are reflected within the e-STIP portal and a listing of these comments will be provided separately. Also, please note that STIP approval for projects that are not federally funded is not intended to provide federal endorsement or action. The Federal partners look forward to continuing to work with TxDOT and Texas MPOs on the successful implementation of this STIP. We thank TxDOT-TPP staff for their effort to complete the review and approval of the FY 2021-2024 STIP.

Finally, nothing in the approval of the Texas 2021 to 2024 Statewide Transportation Improvement Program, impacts or overrides the pause described in FHWA's June 14, 2021

letter to the Texas Department of Transportation. Additionally, this approval does not impact and is not a decision on the on-going Title VI investigation and NEPA Assignment MOU compliance review of the North Houston Highway Improvement Project. These actions are separate and distinct. The investigation and review of the NHIPP will continue until determinations are made.

Please contact Ms. Lynn Hayes, FTA at (817) 978-0565, or Ms. Genevieve Bales, FHWA at (512) 536-5941 should you have any questions concerning this action.

Sincerely yours,
