WE LOVE FRIED FOODS

But what do you do with the leftover oil?

USED COOKING OIL NEEDS TO BE DISPOSED OF PROPERLY

TRASH IT, DON'T FLUSH IT

Don't pour oil down the drain or toilet.

Leads to sewer backups in home or neighborhood

Expensive repairs

Sewer overflows and runoff contaminate water resources

Fatbergs are gross masses of congealed waste and fat that clog our sewers. One major cause? Pouring oil down the drain!
Be a hero! Prevent fatbergs.

FRYAWAY MAGICALLY TRANSFORMS USED COOKING OILS INTO SOLID ORGANIC WASTE

TRY FRYAWAY!

This packet will solidify 2 cups of cooking oil

Made in the USA

100% Plant-Based

Easy & Mess-Free

1% for the Planet Member
