Austin, TX 78714-9217

Dear Mr. Tindall:

In accordance with 23 CFR 450.334, the Metropolitan Planning Organization (MPO) for North Central Texas has completed the Fiscal Year (FY) 2025 Annual Listing of Obligated Projects (ALOP) and posted it on our website at https://www.nctcog.org/trans/funds/tip/annual-project-listings. The finalized items will also be included in a November 9, 2026 public meeting for information. The ALOP consists of the components listed below:

Section 1 – FY 2025 Grouped and Roadway Project Listings (Includes bicycle and pedestrian projects)
Section 2 – FY 2025 Transit Project Listings

The project information included in the Grouped and Roadway project listings was obtained from the Texas Department of Transportation (TxDOT) Transportation Planning and Programming Division and reviewed by MPO staff. The sources of information used to review these listings were Federal Project Agreement and Authorizations (FPAA), monthly TxDOT reports of federal obligations for MPO-selected funding categories, TxDOT Connect, the Statewide Transportation Improvement Program online portal and the Federal Highway Administration's (FHWA) Fiscal Management Information System (FMIS). The listings for transit projects were compiled using the Federal Transit Administration Transit Award and Management System (TrAMS).

If you need any additional information related to the FY 2025 Annual Listing of Obligated Projects, please contact Cody Derrick at cderrick@nctcog.org.

Sincerely,

Christie J. Gotti
