DISPOSE RESPONSIBLY

These products can damage your pipes and negatively impact the quality of our lakes, rivers, and streams.

FATS, OILS, AND GREASE

Your drains don't love bacon as much as you do. Recycle used cooking oil at a drop-off location.

MEDICINES

The best medicine for your drains is no medicine. Return extra and expired medicines at take-back events.

CLEANING PRODUCTS

Household cleaning products may clean your home but large amounts can be dangerous going down the drain. Take leftover products to the hazardous waste collection center.

PAINTS

PESTICIDES

Leftover paint and pesticides are considered hazardous waste and should be carefully taken to a hazardous waste collection center.
