### g. Sponsored Tire Events Update

- i. NCTCOG presented an update on the FY2024-2025 Tire Collection Event funding. 11 applications have been received, totaling over \$60,000 in grant funds requested. NCTCOG will be accepting applications through January 15, 2025, and all events, reimbursements, and reporting must be completed by March 28, 2025. Please contact E&D Planner, Alexa Gilbert, with any questions ([agilbert@nctcog.org](mailto:agilbert@nctcog.org)).

### h. Dallas Fort Worth Air Quality Improvement Plan

- i. As part of NCTCOG's work for the Dallas Fort Worth Air Quality Improvement Plan, NCTCOG is looking for data that breaks down the composition of waste specifically from the year 2022. A waste characterization study was done in 2019 and 2020 through the Know What to Throw program but has not had any more recent updates. We're wanting to know if any cities are continuing to gather waste characterization data or have done a more recent study so that we can have a better grasp of what the waste is composed of (percent of waste that is paper, plastic, etc.). Please contact E&D Planner, Corinne Buckley, with any questions or concerns at [CBuckley@nctcog.org](mailto:CBuckley@nctcog.org).
