

North Texas Zero Emissions Vehicles Call for Projects

Email Promotion:

For Those Who Already Operate EVs:

Dear Partner/Member/Client/Operator,

Looking to expand your electric vehicle fleet? The North Central Texas Council of Governments (NCTCOG) is offering up to \$55M in rebates to heavy-duty vehicle operators in North Texas through the North Texas Zero Emissions Vehicles (NTxZEV) Project!

Funding Highlights

- **Total Funding Available:** Up to \$55.4M
- **Funding Type:** Rebate (no 2 CFR 200 requirements)
- **Eligible Applicants:** Public and private organizations
- **Eligible Projects:** Replacement of heavy-duty vehicles with zero-emission versions and installation of supporting infrastructure.
- **Eligible Vehicle Types:** This program is for "vocational vehicles" such as box trucks, step vans, refuse haulers, street sweepers, utility trucks, transit buses, flatbed trucks, stake trucks, fire trucks, coach buses, bucket trucks, dump trucks, etc.
- **Eligible Fuel Types:** Existing vehicles can be any internal combustion engine fuel. New vehicles must be battery-electric or hydrogen fuel cell electric.

Get Application Support

- Weekly virtual office hours with NCTCOG staff every Monday at 10:00 AM CT
- **FREE** project development assistance from the National Lab of the Rockies
- **FREE** NCTCOG staff application assistance
- A zero-emission vehicle manufacturers and vendors inventory

Applications received on a modified first-come, first-served basis will be evaluated competitively. The deadline to apply is every 3rd Friday of the month at 5 PM CT, until all funds are exhausted. See if you're eligible today at www.nctorg.org/NTxZEV or email NCTCOG staff at cleancities@nctcog.org!

North Texas Zero Emissions Vehicles Call for Projects

For Those Who Already Operate Alt Fuels:

Do you operate a natural gas or propane fleet? Have you stopped looking for funding since getting rid of your fleet of diesel engines? Think again!

The North Central Texas Council of Governments (NCTCOG) is providing rebates for replacing natural gas and propane vehicles with all-electric versions. Take advantage of up to \$55M in rebates from the North Texas Zero Emissions Vehicles (NTxZEV) Project! NTxZEV can cover up to 80 percent of the new vehicle cost as well as fund supporting infrastructure.

Funding Highlights

- **Total Funding Available:** Up to \$55.4M
- **Funding Type:** Rebate (no 2 CFR 200 requirements)
