

North Texas Zero Emissions Vehicles Call for Projects

Social Media Posts:

General Posts:

- Looking to modernize your fleet? Take advantage of the \$55M available now through the North Texas Zero Emissions Vehicles (NTxZEV) Project!

Upgrade existing Class 6 & 7 vehicles of any fuel type to battery-electric or hydrogen fuel cell. Get started now by visiting www.nctcog.org/NTxZEV and by following these steps:

- Determine your eligibility and review application materials
 - Get your questions answered by attending weekly virtual Office Hours every Monday at 10am
 - Get FREE technical project assistance from the National Lab of the Rockies
 - Get FREE application assistance from North Central Texas Council of Governments Transportation staff
-
- Ready to turn over old heavy-duty vehicles and get funding to do it? Get up to 80% of the new vehicle cost covered through the North Texas Zero Emissions Vehicle Project! Upgrade existing Class 6 & 7 vehicles of any fuel type to battery-electric or hydrogen fuel cell. Learn more at www.nctcog.org/NTxZEV.

High Fuel Prices:

- Stressing over your next gas bill? Diesel and gasoline prices have risen by 55% in the Gulf area this year.

The North Central Texas Council of Governments can help! \$55M is available to help fund your next heavy-duty truck project. Save on maintenance and fuel by modernizing your fleet. More money saved could mean more money invested in your fleet!

Visit www.nctcog.org/NTxZEV for program details and information on how to get started on your application. *Source: U.S. Energy Information Administration

North Texas Zero Emissions Vehicles Call for Projects

- Fuel costs got you down? Cheer up! NCTCOG has \$55M available to fund your next heavy-duty truck project! Reach out to cleancities@nctcog.org today for FREE application assistance! Learn about available funding at www.nctcog.org/NTxZEV.

Highlighting NCTCOG Available Resources:

- **Vendor List/Finding New Vehicles:** Need help finding new vehicles to upgrade your fleet? The North Central Texas Council of Governments is offering vehicle funding through the North Texas Zero Emissions Vehicles (NTxZEV) Project! To help get you started, we've compiled a list of electric vehicle and infrastructure vendors. Visit www.nctcog.org/NTxZEV for more information!

NOTE: Inclusion of a Vendor does not constitute an endorsement from NCTCOG, and inclusion of a Vehicle/Infrastructure does not confirm eligibility for the NTxZEV CFP. This list is not comprehensive.

- **Office Hours:** The North Central Texas Council of Governments (NCTCOG) is offering up to \$55 million in rebates for heavy-duty vehicle operators in Texas! Learn more about the funding available through the North Texas Zero Emissions Vehicles (NTxZEV) Project by attending NCTCOG's weekly virtual office hours. Office Hours are held every Monday at 10 AM Central Time via Microsoft Teams. NCTCOG staff can help you understand the program, see if you are eligible and determine how much funding you can receive, answer your questions, and more! Join today by going to www.nctcog.org/NTxZEV or emailing NCTCOG staff at cleancities@nctcog.org!
- **Free Technical Assistance from NLR:** Interested in deploying new heavy-duty vehicles but don't know where to start? Look no further! The National Laboratory of the Rockies (NLR) is offering FREE technical assistance to help fleets interested in the North Central Texas Council of Governments' (NCTCOG) North Texas Zero Emissions Vehicles (NTxZEV) funding develop projects. NCTCOG is offering \$55 million in rebates for vehicle replacement projects. Learn more about the NTxZEV funding and how NLR can assist you with an application at www.nctcog.org/NTxZEV!
