STEPS WITHIN THE PROGRAM

- ✓ **Completed:** traffic signal improvement types and funding split.
- ❑ **Current:** Requesting funding allocation by traffic signal improvement type.
- ❑ **Next Step:** Identify how projects are selected for funding within each traffic signal improvement type and associated funding allocation. For example:
 - **Coordination Equipment:** Selection based on the regional traffic signal equipment inventory.
 - **Signal Retiming:** Selection based on INRIX performance metrics.
 - **Other Categories:** Selection criteria to be determined (TBD).
