Article 7. Unified Planning Work Program (UPWP)

Corrective actions are those that do not change the scope of work, result in an increase or decrease in the amount of task funding, or affect the overall budget. Examples of corrective actions include typographical, grammatical, or syntax corrections.
- H. The effective date of each UPWP will be October 1st of each year or the date of approval from the appropriate oversight agency, whichever occurs later. On that date, the UPWP shall constitute a new federal project and shall supersede the previous UPWP.
- I. The MPO shall not incur any costs for work outlined in the UPWP or any subsequent amendments (i.e., adding new work tasks or changing the scope of existing work tasks) prior to receiving approval from the Department. Costs incurred for transportation planning activities outside the boundaries of a designated MPA are not eligible for reimbursement unless an MPO determines that data collection and analysis activities relating to land use, demographics, or traffic or travel information conducted outside its boundaries affects the transportation system within its boundaries and the activities are specifically identified in the MPO's approved UPWP.

- K. The use of TPF is limited to corridor/subarea level planning or multimodal or system-wide transit planning studies. Major investment studies and environmental studies are considered corridor level planning. - L. Costs incurred by the MPO shall not exceed the total budgeted amount of the UPWP without prior approval of the MPO and the Department. Costs incurred on individual work tasks shall not exceed that task budget by twenty-five percent (25%) without prior approval of the MPO and the Department. If the costs exceed 25% of the task budget, the UPWP shall be revised, approved by the MPO, and submitted to the Department for approval.
- M. Travel outside the State of Texas by MPO staff and other agencies participating in the MPO planning process must be approved by the Department if funded with TPF. The MPO must receive approval prior to incurring any costs associated with the actual travel (e.g., registration fee). This provision will not apply if the travel is at the request of the Department. Travel to the State of Arkansas by the Texarkana MPO staff and travel to the State of New Mexico by the El Paso MPO staff shall be treated as in-state travel if applicable.
- N. The cost of travel incurred by elected officials serving on the MPO for MPO-related business is eligible for reimbursement with TPF.
- O. The Department closely monitors progress of the UPWP. If the Department finds that the MPO is not making adequate progress toward fulfilling the work program, it may request mitigating actions.
- P. Should any conflict be discovered between the terms of this agreement and the UPWP, the terms of this Agreement shall prevail.

Article 8. Compensation

The Department's reimbursement of any cost incurred under this Agreement is contingent upon all of the following:

- A. Federal funds are available to the Department in a sufficient amount for making payments.
- B. The incurred cost is authorized in the UPWP. The maximum amount payable under this Agreement shall not exceed the total budgeted amount.
- C. The cost has actually been incurred by the MPO and meets the following criteria:
 - 1. Is verifiable from MPO records;
 - 2. Is not included as match funds for any other federally assisted program;
 - 3. Is necessary and reasonable for the proper and efficient accomplishment of program objectives;
 - 4. Is allowable under 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the state's TxGMS; and
 - 5. Is not paid by the Department or federal government under another assistance program unless authorized to be used as match under the other federal or state agreement and the laws and regulations to which it is subject.
- D. After October 1st of each year, the Department will issue a work order to the MPO establishing the effective date of work and the total funds authorized. If the UPWP is subsequently revised, necessitating a revision to the original work order, or the Department deems a revision necessary, a revised work order may be issued at any time throughout the federal fiscal year. If the amount in the UPWP differs from the amount in the work order, the amount in the work order prevails.

- E. The MPO is authorized to submit requests for reimbursement (RFR) of authorized costs incurred under this Agreement no more than fifteen (15) times a year and no less than monthly as expenses occur. Each RFR shall be submitted in a manner and format specified to the Department. An RFR submitted in a format other than the standard format developed by the Department will not be accepted.
- F. The MPO shall submit the final RFR from the previous federal fiscal year to the Department no later than ninety (90) days after the end of the federal fiscal year. Any RFRs submitted more than ninety (90) days after the end of the fiscal year in which the funds have been de-obligated will be processed against the current federal fiscal year's UPWP.
- G. Reimbursement of costs is contingent upon compliance with the terms of Article 5 (Responsibilities of the MPO) of this Agreement. Noncompliance may result in cancellation of authorized work and suspension of reimbursements after a thirty (30) day notification by the Department to the MPO.
- H. A compliant RFR shall be reimbursed by the Department to the MPO within fifteen (15) business days of submission.
- I. If corrections are needed to the RFR, including but not limited to mistakes or missing information, the Department will notify the MPO that the RFR has been rejected and provide an explanation within fifteen (15) business days of submission. The Department may coordinate with the MPO to resolve any discrepancies or inconsistencies.
- J. A corrected invoice for an RFR that was previously submitted, whether the original RFR was rejected or under review, will restart the fifteen (15) business day review period for the Department to reimburse an MPO.
- K. The MPO shall be responsible for any funds determined to be ineligible for federal reimbursement and shall reimburse the Department the amount of those funds previously provided to it by the Department.
- L. The Department's acceptance of an invoice does not constitute approval or acceptance of work performed nor work products.

Article 9. Procurement and Property Management Standards

- A. The parties to this Agreement shall adhere to the procurement standards in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and to the state's TxGMS. The Department must pre-approve the MPO's procurement procedures for purchases to be eligible for state or federal funds.
- B. The MPO agrees to comply with applicable Build America, Buy America requirements set forth in the Infrastructure Investment and Jobs Act (Pub. Law 117-58), 23 USC §313, 23 CFR §635.410, 49 CFR Part 661, and 2 CFR Part 184, Buy America Preferences for Infrastructure Projects.

Any subcontract for services in implementing any tasks specified in the UPWP, rendered by individuals or organizations not a part of the MPO, shall not be executed without prior authorization and approval of the subcontract by the Department and, when federal funds are involved, the USDOT. All work in the subcontract is subject to the state's TxGMS. If the work for the subcontract is authorized in the current approved UPWP, and if the MPO's

procurement procedures for negotiated contracts have been approved by the Department either directly or through self-certification by the MPO, the subcontract shall be deemed to be authorized and approved, provided that the subcontract includes all provisions required by the Department and the USDOT.

- B. Subcontracts exceeding \$10,000 shall contain all required provisions of this Agreement.
- C. No subcontract will relieve the MPO of its responsibility under this Agreement.
- D. Subcontractors shall comply with the Fiscal Agent procurement policy and requirements of 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.

Article 11. Federal Funding Accountability and Transparency Act Requirements

- A. Any recipient of funds under this Agreement agrees to comply with the Federal Funding Accountability and Transparency Act and implementing regulations at 2 CFR Part 170, Reporting Subaward and Executive Compensation Information.
- B. The MPO or Fiscal Agent, as applicable, agrees that it shall annually obtain and provide to the Department a Unique Entity Identifier (UEI), or the Entity ID, a unique twelve-character alphanumeric ID that allows the federal government to track the distribution of federal money.

Article 12. Single Audit Report

- A. The parties shall comply with the single audit report requirements stipulated in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
- B. If threshold expenditures of \$1,000,000 or more are met during the federal fiscal year, the MPO must submit a Single Audit Report and Management Letter (if applicable) to the Department's Compliance Division, 125 East 11th Street, Austin, TX 78701 or contact the Department's Compliance Division by email at singleaudits@txdot.gov.
- C. If expenditures are less than the threshold during the federal fiscal year, the MPO must submit a statement to the Department's Compliance Division as follows: "We did not meet the \$1,000,000 expenditure threshold and therefore, are not required to have a single audit performed for FY _____."
- D. For each year the UPWP remains open for federal funding expenditures, the MPO will be responsible for filing a report or statement as described above. The required annual filing shall extend throughout the life of this Agreement, unless otherwise amended or the UPWP has been formally closed out and no charges have been incurred within the current federal fiscal year.

Article 13. Inspection of Work and Retention of Documents
