2025 Annual Program Summary

Strategy 1.3: Regional Participation in Fats, Oils, and Grease Program

- The Wastewater and Treatment Education Roundtable hosted the **12th Annual Holiday Grease Roundup**, with **49 partners** and **48 drop off locations**. Participants collected **12,345 gallons of Grease!**

Strategy 3.0: Planning and Development

- Hosted and facilitated the Green Asset Management Webinar, which had **35 attendees**. A copy of the presentation is available online [here](#). A recording of the presentation is available [here](#).

Strategy 7.1: Education and Outreach

- Drafted and distributed** the annual TMDL Questionnaire to stakeholders regarding I-Plan efforts.

For questions or additional information, please contact Joy Douglas at jdouglas@nctcog.org or (817) 422-5876.

The North Central Texas Council of Governments is working with stakeholders to implement best management practices to address and prevent bacteria TMDLs in the North Central Texas region. To view the current Implementation Plan, or to utilize available resources, please visit www.nctcog.org/TMDL.

This annual program summary was prepared in cooperation with the Texas Commission on Environmental Quality.

Strategy 9.0: Implementation Strategy Evaluation

- Facilitated **7 meetings** with individual I-Plan strategy task forces to evaluate, revise, and update I-Plan strategies based on stakeholder feedback.
- Facilitated a TMDL I-Plan Updates and Next Steps meeting to provide a **recap** of the 7 I-Plan strategy meetings and request specific **feedback** on the Planning and Development strategy and Monitoring Coordination strategy.
- Initiated a **major update** to the I-Plan strategies, tables, and figures.

Other Highlights

- Coordinated **2 Upper Trinity River Basin Coordinating Committee meetings** to provide a forum for watershed coordinators to communicate regarding current activities and ongoing efforts in the NCTCOG region.
- **Facilitated** the TMDL Coordination Committee meeting to give program updates and share information regarding **future plans for the TMDL initiative**.
