

Policy	Type	Points	Instructions	Who Can Apply			
Air Quality & Environment							
Clean Fleets	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Submit a copy of adopted Clean Fleet Policy	Required to Qualify	1	Complete the required action then choose bonus point options.	✔	✔	✔	✔
Submit DFWCC Annual Fleet Survey at least 2 of the last 3 years.	Bonus Opportunity	1					
Submit documentation of adopted idle-reduction policy or standard operating procedure for your own internal fleet vehicles	Bonus Opportunity	1					
Motor Vehicle Idling Restrictions	Max Points: 2			Cities	Counties	Transit Agencies	ISD
Submit a copy of the idling restriction ordinance or resolution.	Required to Qualify	1	Complete the required action then choose bonus options.	✔	✔		✔
Submit documentation to show implementation of a plan of enforcement for the ordinance or resolution.	Bonus Opportunity	1					
Sustainable Tire Recycling	Max Points: 2			Cities	Counties	Transit Agencies	ISD
Submit an adopted plan or policy for transportation refuse recycling.	Required to Qualify	1	Complete the required action and choose bonus options.	✔	✔		
Submit documentation showing implementation of 1-5 strategies included in the adopted transportation refuse recycling plan	Bonus Opportunity	1					
Stormwater Management	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Adopt sustainable stormwater policies for transportation improvements and site development	Choose Up to Three Options	1	Choose 1-3 options for a max of 3 points.	✔	✔	✔	✔
Fund or implement sustainable stormwater management projects as part of transportation improvements and site development.		1					
Establish formal interdepartmental coordination process that considers sustainable alternatives such as green infrastructure for typical projects such as retrofits, repairs, and new projects.		1					
Adopt policies or programs to acquire lands that are ecologically sensitive for the purpose of conservation, preservation, water quality protection, and stormwater management.		1					
Adopt NCTCOG's Integrated Stormwater Management (iSWM) Criteria Manual or implement projects that are similar to iSWM through an ordinance or other agency policy.		1					
Implement projects that meet NCTCOG's Transportation Integrated Stormwater Management (TriSWM) criteria or strategies.		1					
DFW Air Quality Improvement Plan	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Agency develops and adopts a long-term plan that has elements that support the Dallas-Fort Worth Air Quality Improvement Plan.	Required to Qualify	1	Complete the required action then choose bonus options.	✔	✔	✔	
Submit documentation showing implementation of 1-5* transportation measures.	Bonus Opportunity	1					
Complete bonus option 1, then submit documentation showing implementation of 6* or more transportation measures	Bonus Opportunity	1					

<i>Technology & Innovation</i>							
Uncrewed Aircraft Systems	Max Points: 2			Cities	Counties	Transit Agencies	ISD
Is your city a participant in the North Texas Airspace Awareness program?	Required to Qualify	1	Complete required action, then choose one bonus options for additional points for a max of 2 points.	✔	✔	✔	✔
Is your entity providing NCTCOG with critical infrastructure and advisory data?	Bonus Opportunity	1					
Does your entity have drone detection technology made available to the airspace awareness pilot program for regional coverage?	Bonus Opportunity	1					
ITS Integration	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Submit a copy of the executed Memorandum of Understanding.	Required to Qualify	3	Complete the required action to receive points for this policy.	✔		✔	
Advanced Air Mobility	Max Points: 2			Cities	Counties	Transit Agencies	ISD
Is your city involved in planning efforts for Advanced Air Mobility?	Required to Qualify	1	Complete required action, then choose one bonus options for additional points for a max of 2 points.	✔	✔	✔	✔
Does your city have development plans for a vertiport/pad?	Bonus Opportunity	1					
Is your entity a part of the regional AAM planning Memorandum of Understanding?	Bonus Opportunity	1					

Safety & Multimodal Transportation							
Roadway Safety Improvements	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Designate a representative to the Regional Safety Advisory Committee, who has actively participated by attending a minimum of 3 meetings per annual term, in each of the previous 3 years.	Required to Qualify	1	Complete required action, then choose up to two bonus options for additional points for a max of 3 points.	✓	✓		
Implement 1-9 roadway safety countermeasures or strategies within jurisdiction or implement at least 1 countermeasure at 1-9 separate locations in the previous 3 years.	Bonus Opportunity	1					
Implement 10+ roadway safety countermeasures or strategies within jurisdiction or implement at least 1 countermeasure at 10+ separate locations in the previous 3 years.	Bonus Opportunity	1					
Develop and adopt a local roadway safety plan, Vision Zero, or similar plan within the previous 5 years, aimed at reducing fatalities and serious injuries.	Bonus Opportunity	1					
Railroad Safety	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Documentation of agency's railroad safety public education efforts and an inventory list of blocked crossings and reported safety concerns and issues near at-grade crossings.	Required to Qualify	3	Complete the required action to receive points for this policy.	✓	✓	✓	✓
Traffic Incident Management	Max Points: 2			Cities	Counties	Transit Agencies	ISD
Submit documentation of attendance at NCTCOG's Traffic Incident Management training since 2019	Choice	1	Multiple options are available for this policy. Options can be combined for a maximum of 2 points.	✓	✓		
Submit copy of RTC or similar policy regarding incident management policies adopted by your jurisdiction.	Choice	2					
Submit documentation of tracking and sharing with NCTCOG the regional incident management performance measures such as incident clearance time, roadway clearance time, secondary crash, and recovery time.	Choice	2					
Submit documentation of abandoned vehicle item and/or quick clearance tow policy.	Choice	2					
Establish and regularly meet regarding a multi-disciplinary major incident (after-action) review process	Choice	2					
Asset Management	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Submit documentation showing asset management funding through bond program or capital improvement program.	Choice	2	Complete the required action then choose bonus options.	✓		✓	
Submit copy of ordinance or resolution devoting exclusive efforts or funds toward transportation maintenance and preservation.	Choice	1					
Regional Trip Reduction Program	Max Points: 2			Cities	Counties	Transit Agencies	ISD
Establish an agency trip reduction policy to reduce employee commute trips by a minimum of 20% consistent with RTC Resolution R21-04.	Choice	2	Multiple options are available for this policy. Options can be combined for a maximum of 2 points.	✓	✓		
Establish or implement an Employee Commute Program or similar trip reduction program for city/agency employees and actively track and report agency participation through TryParkingIt.com or similar online commute tracking platform.	Choice	2					
Implement Travel Demand Management strategies that assist in reducing the number of single occupancy vehicle (SOV) trips consistent with RTC Resolution R21-04.	Choice	1					
Cities Providing Transit	Max Points: 10			Cities	Counties	Transit Agencies	ISD
Submit documentation or agreement for qualified person only service (non-transit authority).	Choice	5	Select one of the options.	✓			
Submit agreement for general-access transit service (non-transit authority).	Choice	10					

Land Use & Development							
Safe Routes to School and School Siting	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Adopt policy or resolution directing staff to engage in Safe Routes to School collaboration.	Choice	3	Choose one option for a max of 3 points.	✓	✓		✓
Adopt policy or resolution regarding school siting collaboration.	Choice	3					
Adopt a comprehensive, city-wide or ISD-wide Safe Routes to School plan.	Choice	3					
Street Connectivity	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Submit copy of adopted policy regarding strategies for encouraging enhanced street connectivity. Policy or resolution adopts a planning element, adopts a regulatory element, and/or instructs agency staff to implement strategies to encourage enhanced street connectivity in support of bicycle and pedestrian activity in new development or redevelopment projects, subdivisions, and/or local roadway construction. Strategies may include connectivity indexes, shorter block lengths, external connections, discouraging the use of cul-de-sacs, or other similar strategies. Submit policy documents and any supportive documentation	Required to Qualify	3	Complete the required action to receive points for this policy.	✓	✓		
Freight-Oriented Development	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Submit adopted standard beautification requirements for freight-oriented developments.	Choice	1	Choose any combination of options for a max of 3 points.	✓			
Submit documentation documentation of freight-related idling limitations or restrictions.	Choice	2					
Submit documentation of consistent land-use zoning adjacent to freight-oriented developments.	Choice	2					
Submit documentation of freight-oriented land use ordinances.	Choice	3					
Land Use Strategies	Max Points: 4			Cities	Counties	Transit Agencies	ISD
1) Form-based or related design concepts or standards (such as building placement in relationship to primary street, placement of parking behind building on lot, build to lines or reduced setbacks, etc.) 2) Allows mixed use such that commercial and residential uses may be vertically mixed, located on the same lot, on neighboring parcels, in the same zoning district or short walking distance to each other. 3) Sets streetscape standards that encourage increased pedestrian comfort and safety through items such as landscaped buffer between sidewalk and street, required street trees, increased lighting, and wider sidewalks, etc.	Required to Qualify	4	Complete the required action to receive points for this policy. Documentation must include all criteria to receive points.	✓	✓		
Parking Management - Cities	Max Points: 3			Cities	Counties	Transit Agencies	ISD
Zoning: City has existing ordinances permitting a reduction in minimum required parking off street spaces through zero minimum required parking off street spaces and/or allowances for reductions in multiple zoning districts in the city, such as shared parking. Must show at least three methods in code allowing minimum parking reductions or smart parking management policies to reduce excessive traffic circulation.	Required to Qualify	2	Complete required action, then choose one bonus options for additional points for a max of 3 points.	✓		✓	
Studies: City performed a parking study for at least one area in the last 5-years.	Bonus Opportunity	1					
Bicycle Parking: City requires some level of bicycle parking at all multi-family and commercial developments or other specific locations.	Bonus Opportunity	1					
Parking Management - Agencies	Max Points: 2						
Agencies share parking utilization at rail station park and rides with NCTCOG staff or coordinate on future counts at those locations	Required to Qualify	2	Complete the required action to receive points for this policy.				
Strategic Density - Transit Authorities	Max Points: 4			Cities	Counties	Transit Agencies	ISD
Submit documentation showing your agency promote dense transit-oriented development through plans, policies, or redevelopment of transit agency property. Example of documentation includes websites, presentations, meeting notes, or anything indicating your agency is evaluating, planning or supporting redevelopment of transit property to a dense use.	Required to Qualify	4	Complete the required action to receive points for this policy.	✓		✓	
Strategic Density - Cities	Max Points: 4						
Cities With Rail Stations: Submit zoning showing development with a density beyond 1.75 floor area ratio (FAR) (or regulations allowing that level of density; your code does not specifically need to use FAR) is allowed within a half-mile of the rail station.	Choice	4	Options are available for this policy. Choose one option.				
All Cities: Submit zoning showing a strategic area (downtown, main street, town center, etc.) is permitted. The zoning must apply to at least 50 acres in one location, with net build out density of at least 10,000 square feet and 10 residential units per acre. New development in these locations must be allowed to exceed 1.75 floor area ratio (FAR).	Choice	4
