Council of Governments

# TRANSPORTATION PUBLIC MEETING

**FEB. 9 | NOON | 616 SIX FLAGS DR. ARLINGTON, TX 76011**

## PRESENTATIONS

### 2027-2030 TRANSPORTATION IMPROVEMENT PROGRAM

The 2025 ozone season came to an end in November, and the region remains in nonattainment for both the 2008 and 2015 National Ambient Air Quality Standards. Inability to reach attainment will increase challenges for projected regional growth. Staff will provide an overview of the season as well as next steps.

### NORTH TARRANT EXPRESS TEXPRESS FUNDING REQUEST

TxDOT is requesting to utilize \$145 million for the construction of a northbound IH 35W to SH 121 frontage road and reconstruction of the Sylvania Ave Bridge over SH 121. Approximately \$100 million of TxDOT funds and \$45 million of North Tarrant Express managed lane revenue are being recommended for the projects.

### DALLAS FORT WORTH AIR QUALITY IMPROVEMENT PLAN UPDATE

Staff will present the final draft of the Dallas-Fort Worth Air Quality Improvement Plan - Comprehensive Action Plan. This plan serves as a strategic roadmap for reducing emissions across five key sectors through 2050. The draft plan is available for comment at [www.publicinput.com/dfwAQIP](http://www.publicinput.com/dfwAQIP).
