

AGENDA

Air Quality Health Monitoring Task Force Meeting

Friday, November 4, 2022

9:30 – 11:30 a.m. (CST)

[Join Zoom Meeting](#)

Dial In: +1 346-248-7799

Meeting ID: 876 2973 3170

Our Objective

To bring together a group of government representatives, health officials, academic representatives, and air quality experts to evaluate data that may indicate a need for additional air quality improvement strategies to address concerns over localized air pollution, with a focus on transportation sources.
