

A close-up photograph of water dripping from a metal gutter. The water is captured in mid-air, creating a series of blurred droplets that fall towards the bottom of the frame. The background is a soft, out-of-focus green, suggesting a natural setting. The overall tone is clean and focused on the theme of water.

# Cost Share Program Update

- Recap of proposed updates discussed at November 15, 2023, RSWMCC meeting:
  - Adopt a Tiered Population System
  - Minimum cost share based on a population size below a set threshold
  - Set amount for non-municipal agencies (NTTA, DART, DFWIA)
  - Cap on cost share amount at \$35,000, despite how changes to population or other factors may influence an increase.
  - Convene Cost Share Subcommittee to review cost shares and population changes with every census or on 5-10 year basis.

# Example of Tiers

The graphic features a dark blue header with the text "DALLAS-FORT WORTH AIR QUALITY IMPROVEMENT PLAN" in white and green. A QR code is located in the top right corner. The main body is white with a green border at the bottom. It contains text about the project, a list of focus areas with icons, and contact information for feedback.

**DALLAS-FORT WORTH  
AIR QUALITY  
IMPROVEMENT PLAN**

The North Central Texas Council of Governments is collaborating with local stakeholders in the Dallas-Fort Worth region to develop a comprehensive Air Quality Improvement Plan (DFW AQIP). The plan will create a roadmap to improve air quality, protect public health, and reduce the impacts of extreme weather events.

Your input is requested and important! Please go to [www.publicinput.com/dfwAQIP](https://www.publicinput.com/dfwAQIP) to make recommendations, attend an open house, and more.

**FOCUS AREAS:**

- Transportation (Icon: Bus)
- Energy (Icon: Lightbulb)
- Solid Waste (Icon: Recycling bin)
- Water (Icon: Water drop in gear)

Written feedback can be mailed to Savana Nance, Senior Air Quality Planner 616 Six Flags Drive, Arlington, TX, 76011. This work is funded by the Environmental Protection Agency's Climate Pollution Reduction Grants: Planning Grants.
