

North Central Texas Council of Governments

AGENDA

North Central Texas Watershed Stakeholders Meeting

Tuesday, March 4, 2025

10:00 a.m. – 12:00 p.m.

NCTCOG

616 Six Flags Drive

Arlington, Texas 76011

Centerpoint Two Building

First Floor, William Pitstick Conference Room

10:00 a.m. Welcome and Introductions

10:10 a.m. Riparian Area Initiative

Aleksander Prebensen, Project Lead
Stormwater Management Division
City of Fort Worth

Information will be provided about the City of Fort Worth's Riparian Area Initiative including goals of the program, milestones, and ways to be involved.

10:30 a.m. Total Maximum Daily Load (TMDL) Implementation Plan (I-Plan) Update

Joy Douglas, Environment and Development Planner, NCTCOG

Proposed updates to the TMDL I-Plan will be shared. Participants will have the opportunity to provide feedback and learn more about getting involved in the update process.

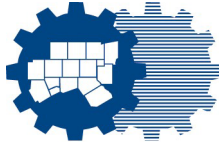

10:45 a.m. Roundtable Discussion

Attendees are asked to share their current, relevant water quality tasks or information with the group and, if applicable, identify any areas of potential collaboration.

11:20 a.m. NCTCOG Updates

Corinne Buckley, Environment and Development Planner, NCTCOG

A brief update will be provided on the Dallas-Fort Worth Air Quality Improvement Plan (DFW-AQIP) Comprehensive Climate Action Plan (CCAP) and other relevant upcoming meetings for the group.

North Central Texas Council of Governments

11:45 a.m. Wrap-Up and Final Questions

12:00 p.m. Adjournment

If you have any questions regarding the meeting or agenda items, please contact Alyssa Knox at (817) 695-9221 or aknox@nctcog.org. Thank you!

If you plan to attend this public meeting and you have a disability that requires special arrangements at the meeting, please contact Ashley Barnett by phone at (817) 695-9231 or by email at abarnett@nctcog.org 72 hours in advance of the meeting. Reasonable accommodation will be made to assist your needs.

This project was funded by the U.S. Environmental Protection Agency through the Texas Commission on Environmental Quality.
