WHAT IS PUBLIC TRANSPORTATION AND NCTCOG'S ROLE?

Public transportation is considered a general or specialized transportation service provided to the public on a regular basis.

Example modes: Fixed route bus, On-demand microtransit, Demand-Response Paratransit (for eligible riders), Light rail, Commuter train (ex.TRE), Streetcar

- Who operates public transportation in our region?
 - Transit Authorities (3 large; DART, DCTA, Trinity Metro)
 - Small Transportation Providers (Urbanized and Rural)
 - Private companies (contracted with cities)

REGIONAL GOALS FROM THE 2022 UPDATE

(1) Plan and develop transportation options by assessing community needs and challenges

(4) Support public transportation recovery and growth

(2) Implement services by enhancing transportation options and expanding where service gaps exist

(5) Promote access and information about available transit

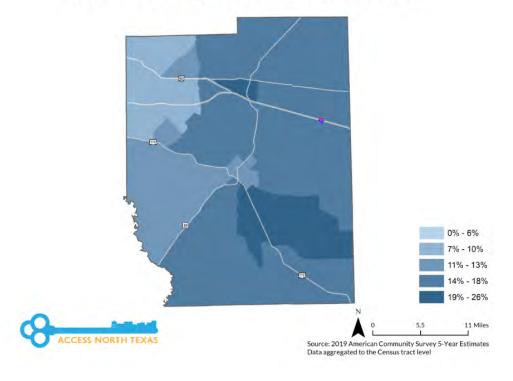

(3) Coordinate with transportation providers, public agencies, and stakeholders to increase efficiencies

KAUFMAN COUNTY PRIORITIZED STRATEGIES FROM THE 2022 UPDATE

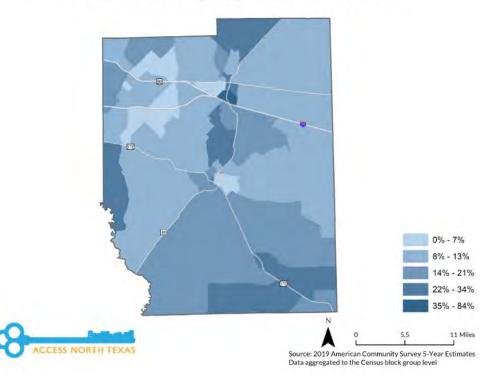

REGIONAL GOAL	KAUFMAN COUNTY-SPECIFIC STRATEGIES
Plan and Develop Transportation Options by Assessing Community Need and Challenges	A) Invest in programs that facilitate transportation trips to medical and healthcare appointments
Implement Services by Enhancing Transportation Options and Expanding Where Service Gaps Exist	A) Improve existing public transportation options to better fit the needs of riders and households with 1 or zero cars by increasing service frequency and availability B) Expand public transportation services to key destinations throughout the region without comprehensive service and support regional integration of new services. C) Establish additional assistance or more specialized public transportation options for customers who are not ADA paratransit eligible or physically capable of utilizing regular public transportation services
Coordinate with Transportation Providers, Public Agencies, and Stakeholders to Increase Efficiencies	A) Work with regional and local organizations to increase ease of travel across municipal and county boundaries B) Develop partnerships across transportation providers to improve access to trips in the evening and weekends
Support Public Transportation Recovery and Growth	A) Promote safe and healthy practices on public transportation services
Promote Access and Information about Available Transportation Options	A) Enhance communication and outreach programs to improve awareness of existing or new transportation options. B) Conduct travel training to educate the public on available services and policies
