Electrical Advisory Board Roster

The draft updated Electrical Advisory Board roster is available [here](#) for your review and consideration.

Discussion

Regional Codes Work Program Update

Invoices will be distributed in October 2025 via email from NCTCOG's Administrative Department.

- Aiming to receive approx. \$70,000 in cost-shares (received \$65,550 in FY2025)

No change to cost-sharing amounts, based on NCTCOG's 2025 Population Estimates.

Last year of 3-year Work Program – seeking Task Force volunteers to assist in development of FY2027–FY2029 Work Program.

Population (NCTCOG Estimates)	Cost
1 million+	\$7,500
750,000–999,999	\$7,000
500,000–749,999	\$6,000
350,000–499,999	\$5,000
200,000–349,999	\$4,150
100,000–199,999	\$3,250
50,000–99,999	\$2,150
25,000–49,999	\$1,400
10,000–24,999	\$1,000
Less than 10,000	\$500

Training Opportunities

- **Need for future training?**

Brief NCTCOG Updates

- NCTCOG Transportation Department – developing Dallas–Fort Worth Air Quality Improvement Plan and requested information/estimates on how much it costs for cities to adopt new codes

Model Development and Floodplain Ordinances Workshop

Purpose: To receive feedback on elements such as green stormwater infrastructure and nature-based solutions to incorporate into a model development code and model floodplain ordinance for flood prevention and mitigation.

Intended Audience: Anyone with technical expertise, experience, or interest in the areas of flood prevention or mitigation using development or floodplain regulatory tools.

Thursday, January 29, 2026, 10:00 am-12:00 pm

NCTCOG, 616 Six Flags Drive, Centerpoint II,
Arlington, Transportation Council Room

Hybrid meeting format

For more info, visit <http://www.nctcog.org/TSI>

This effort is part of the Upper Trinity River Transportation and Stormwater Infrastructure (TSI) Project that seeks to reduce future flood risk through the integration of transportation, environmental, and stormwater planning.
