North  Texas
SHARE
Your Public Sector Solutions Center

Brief Introduction of the Program:

- Services available to cities as a “menu” in the Request for Service form
- Contracts approved by NCTCOG Executive Board on July 28, 2016
- Four Vendors

- Services became available for order on July 29, 2016
- Contracts are able to be used state-wide.

Performance to Date:

Cities who have used the service or are presently using the service:

- City of Dallas
- City of Castle Hill
- City of Hurst
- City of Midlothian
- City of Mesquite

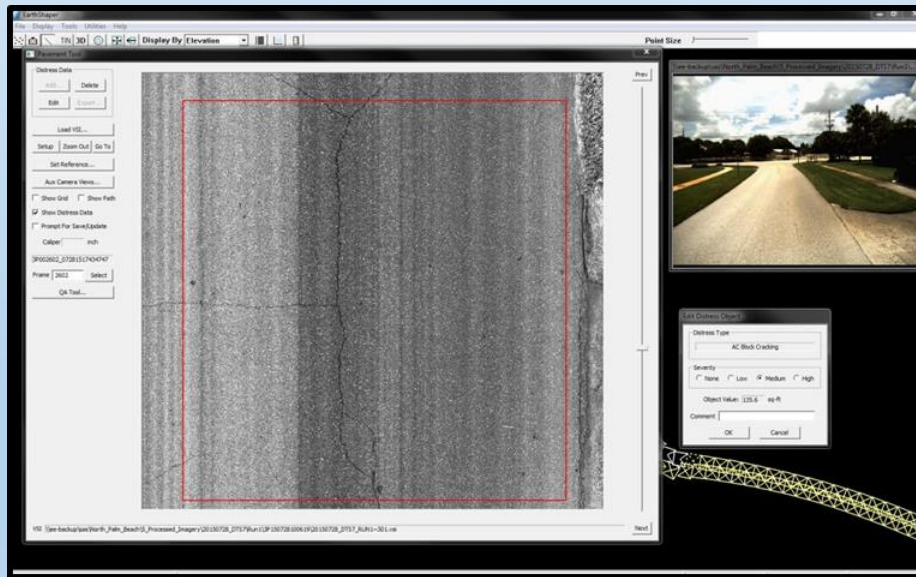

Cities that have joined North Texas SHARE expressly for Pavement Services: *(Presently speaking with service providers)*

- City of Justin
- City of Mansfield
- City of Kennedale

Total sales of program services as of May 18, 2017: \$2,214,495.80*

What's Next?

- Increased awareness of SHARE Services
- Keeping NCTCOG members informed of the service and options
- Begin to market the program outside of the region
- Follow-up with users of program for feedback

Should you ever have questions or recommendations about the Pavement Analysis project - or any SHARE project, please send them at your earliest convenience to northtexasshare@nctcog.org or Cjohnson@nctcog.org.
