Looking Forward

North Central Texas  
Council of Governments

## January Meeting of the Coordinated Land Use and Transportation Planning Task Force (LUTTF)

As North Texas grew in 2022 it saw the progress of many new walkable and mixed-use projects as well as transit-oriented developments. These projects are the result of successful public and private partnerships and planning for coordinated land use with transportation.

Hear insights on implementation, policy tools, public benefits, and economic returns from your peer local governments advancing more great places. Join us and learn how the region can continue this sustainable trend in 2023. **1.5 AICP CM Pending.** Register online.
