Highlands of McKamy IV & V Homeowners' Association

Mr. Noah Heath
TxDOT – PTN
TA Program Manager

Dear Mr. Heath:

The Highlands of McKamy IV & V Homeowners Association is located in North Dallas. There are 247 families in our HOA. We have been actively involved for many years providing community input on safety for the DART Silver Line. The Silver Line is currently under construction.

Dallas Area Rapid Transit (DART) has submitted the Texas Department of Transportation (TxDOT) Transportation Alternative (TA) application. The project partners include the North Central Texas Council of Governments, Dallas County, The cities of Dallas, Richardson, Plano, and the Town of Addison. The project will construct approximately 4.7 miles of a 26-mile trail system and Americans with Disability Act (ADA) neighborhood connections will be made primarily within the existing DART right of way of the Silver Line.

We understand the TxDOT TA application proposes added sidewalks, ADA ramps, traffic signals, and crosswalks. This project with these additions should improve safe walking, bicycling, and transit access to Dallas Area Rapid Transit's (DART) Silver Line Light Rail .

The Highlands of McKamy IV & V strongly supports any modifications to the Silver Line project that contribute to the public's safety.

Regards,
2023 Highlands of McKamy Board
