ACCESS NORTH TEXAS

Regional Public Transportation Coordination Plan for North Central Texas

PREPARED BY THE NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS FINAL OCTOBER 2022

REGIONAL GOALS FROM THE 2022 UPDATE

(1) Plan and develop transportation options by assessing community needs and challenges

(2) Implement services by enhancing transportation options and expanding where service gaps exist

(3) **Coordinate** with transportation providers, public agencies, and stakeholders to increase efficiencies

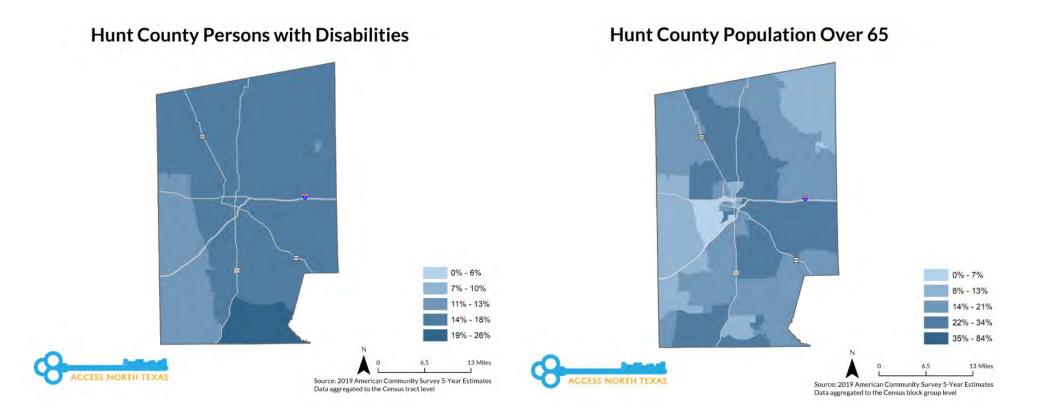

(4) **Support** public transportation recovery and growth

(5) Promote access and information about available transit

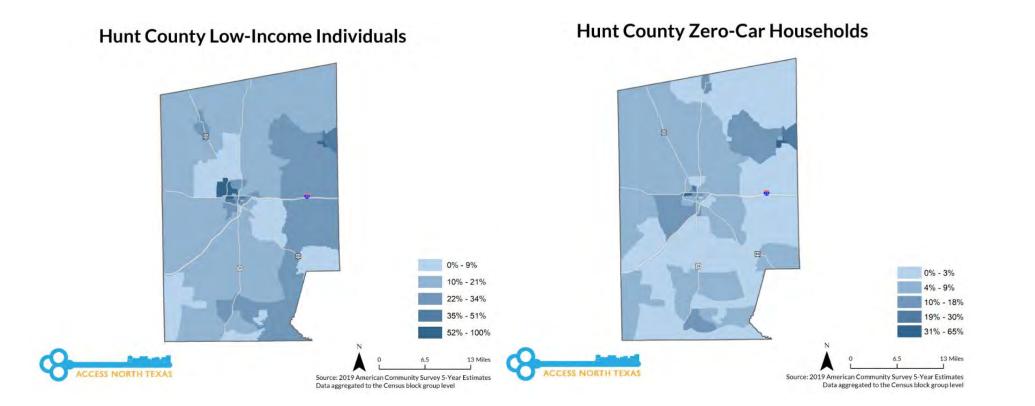

REGIONAL GOAL	HUNT COUNTY-SPECIFIC STRATEGIES	REGIONAL GOAL	COUNTY-SPECIFIC STRATEGIES
Plan and Develop Transportation Options by Assessing Community Need and Challenges	 A) Conduct planning activities to further identify public transportation needs of residents outside of existing transportation authorities and define additional coordination opportunities for existing providers B) Invest in programs that facilitate transportation trips to medical and healthcare appointments C) Launch a mobility toolbox to educate on and promote public transportation options such as fixed route, demand-respond, ondemand services, etc. 	Implement Services by Enhancing Transportation Options and Expanding Where Service Gaps Exist	 A) Improve existing public transportation options to better fit the needs of riders and households with 1 or zero cars by increasing service frequency and availability B) Expand service hours to support needs of low-income individuals in the service industry and outside traditional 9am-5pm jobs C) Expand public transportation services to key destinations throughout the region without comprehensive service and support regional integration of new services.
PRIO	IT COUNTY RITIZED	Coordinate with Transportation Providers, Public Agencies, and Stakeholders to Increase Efficiencies	 A) Work with regional and local organizations to increase ease of travel across municipal and county boundaries B) Develop partnerships across transportation providers to improve access to trips in the evening and weekends C) Identify, evaluate, and implement where appropriate, non-traditional ways to deliver and support public transportation, including but not limited to partnerships among public transit agencies, private transportation providers, transportation network companies, shared use mobility programs, and volunteer drivers
_	ATEGIES FROM 2022 UPDATE	Support Public Transportation Recovery and Growth	 A) Promote safe and healthy practices on public transportation services B) Explore sources of local revenue for public transportation through partnerships, sponsorships, and contracting for service C) Advocate to integrate funding sources to maximize efficiency and increase availability of affordable public transportation options
		Promote Access and Information about Available Transportation Options	 A) Enhance communication and outreach programs to improve awareness of existing or new transportation options B) Conduct travel training to educate the public on available services and policies C) Partner with agencies, recreation centers, senior residencies, housing assisted living centers, and other organizations to publicize information
