Summary

TMDL I-Plan Stormwater Technical Subcommittee Meeting

Tuesday, June 4, 2019, 9:30 AM

Metroplex Conference Room, NCTCOG Offices, CPII
616 Six Flags Drive, Arlington, TX 76011

1. **Welcome and Introductions.**

ACTION ITEMS

2. **Stormwater Subcommittee Meeting Summary.** The [January 22, 2019 meeting summary](#) is available online for review.

The subcommittee approved the January 22, 2019 meeting summary.

DISCUSSION

3. **Subcommittee Project Discussion.** NCTCOG will present the status of current projects pertaining to Avian Feeding and Management (Strategy 4.3), Feral Hog Management (Strategy 4.0) and distribution of pet waste education materials (Strategy 4.6). Attendees will discuss future subcommittee projects.

Avian Feeding and Management: NCTCOG distributed flyers, fact sheets, and brochures to the subcommittee to educate the public on the negative effects of feeding waterfowl. Spanish versions of these materials have also been created. The educational materials will be made available on the NCTCOG TMDL website for municipalities to download, use, and edit. NCTCOG will release the Avian Feeding Social Media Toolkit in the coming weeks.

Feral Hog Management: NCTCOG is hosting a Feral Hog Forum on August 13, 2019 at NCTCOG Offices. This forum will include presentations from Rachel Richter, Texas Parks & Wildlife, and Josh Helcel, Texas A&M AgriLife. More information is available at www.nctcog.org/envir/events.

Pet Waste: In FY2020, NCTCOG will create a social media toolkit for the Doo the Right Thing Campaign, stressing the importance of picking up pet waste. The 2020 Calendar Contest for this campaign is currently accepting submissions at www.dfwstormwater.com.

4. **TMDL I-Plan Program Summary.** NCTCOG will present the draft annual program summary to the subcommittee for approval.

NCTCOG presented the first edition of the TMDL Annual Program Summary and the subcommittee approved it. NCTCOG is translating this summary into Spanish and will make both versions available online. The summary will be brought to the TMDL Coordination Committee for final approval on June 13, 2019.
