

# COORDINATED LAND USE AND TRANSPORTATION PLANNING TASK FORCE

October 19, 2023 | 2-4 PM | Virtual Meeting

## October Meeting: Development Around Multimodal Context Sensitive Streets

Cities in North Texas are building more streets with pedestrian, bicycle, and transit infrastructure that contribute to vibrant, economically beneficial development. Planners from the Cities of Fort Worth, Lewisville, and Irving will share how these transportation projects are advancing more efficient land use and multimodal options in their city.
