Entity Name:  
Primary Point of Contact (POC):  
POC Email:

<b>CERTT Round 1 Technology (select one per form)</b>	<input type="checkbox"/> TransPod <input type="checkbox"/> JPods
<b>Where would this facility be built? Limits? Please include a map with your submission.</b> (Confirm location consistent with MTP recommendations) <sup>1</sup>	
<b>What would be the length of this facility? (Please review attachments 3 and 4 for recommended minimum facility sizes)</b>	
<b>What is the status/ownership of the right-of-way?</b>	
<b>Would this be a pilot for a larger expansion in your jurisdiction, or a stand-alone project?</b>	
<b>Please provide a brief description of what transportation issue you are trying to solve with this technology.</b>	

Please deliver this form to the NCTCOG offices, addressed as follows:

ATTN: Martin Bate  
616 Six Flags Drive, Centerpoint Two  
Arlington TX 76011

You may also submit a courtesy copy of this form by emailing [MBate@nctcog.org](mailto:MBate@nctcog.org). One submittal form per location and technology. Please attach this form, as well as a high-resolution map showing the proposed location(s) and connection(s), if any, to other transportation facilities.
