

North Central Texas Council of Governments

TO: Interested Parties

DATE: February 3, 2023

FROM: Dan Kessler
Assistant Director of Transportation

SUBJECT: Request for Proposals To Perform the North Oak Cliff Conceptual Engineering Study and Support the Upper Trinity River Transportation and Stormwater Infrastructure (TSI) Project

The North Central Texas Council of Governments (NCTCOG) is requesting written proposals from consultant firms to perform the North Oak Cliff Conceptual Engineering Study and Support the Upper Trinity River Transportation and Stormwater Infrastructure (TSI) Project. For the TSI Project firms will provide expert advice and capability on transportation-focused project tasks, including issues related to construction and feasibility for the project team currently involved in the study. For the North Oak Cliff Project: The future configuration and functionality of thoroughfare streets and viaducts between Downtown Dallas and North Oak Cliff is impacted by infrastructure age, changes to the Dallas levee flood control system, economic development opportunities, and context-sensitive design. Effectiveness of future planning and concept engineering associated with these issues will account for the assessment and mitigation of vulnerabilities associated with climate change impacts.

This is an invitation to respond to the Request for Proposals (RFP). Proposers must submit one hard copy or one flash drive of the submission to Jeff Neal, Senior Program Manager, North Central Texas Council of Governments, 616 Six Flags Drive, Arlington, Texas 76011. Flash drives that are unreadable or contain corrupted files will be considered non-responsive. **Proposals must be received no later than 5:00 pm, Central Time, on Friday, March 3, 2023.** Proposals received after that time will not be considered and will be returned unopened. The in-hand submittal will count as the official submittal. In addition to the in-hand submittal, NCTCOG is requesting electronic submission of proposals to TransRFPs@nctcog.org. Electronic submissions only will **not** be evaluated. The RFP will be available at www.nctcog.org/rfp by the close of business on **Friday, February 3, 2023.**

A Pre-Proposal Conference will be held at 2:00 pm. on Monday, February 13, 2023 at the NCTCOG offices in the Transportation Council Room (1st Floor). Written questions submitted in advance of the pre-proposal conference will be answered at the pre-proposal conference. No additional questions will be accepted after the completion of the February 13, 2023 pre-proposal conference. Any amendments or updates to the RFP, as well as all questions and responses, will be posted on NCTCOG's website. Written questions concerning the RFP should be submitted by email to TransRFPs@nctcog.org **by 5:00 pm Central Time on Friday, February 10, 2023.** We appreciate your consideration of this request.
