

A close-up photograph of water dripping from a metal gutter. The water is captured in mid-air, creating a series of blurred droplets that fall towards the bottom of the frame. The background is a soft, out-of-focus green, suggesting a natural setting. The overall tone is clean and focused on the theme of water.

Regional Stormwater Management Coordinating Council

November 12, 2024

Welcome and Housekeeping

- Please sign in using the sign-in sheet on table to the side of the room
- Bathrooms, Emergency Exits, and Safety Procedures

Action Items

Meeting Summary

- Meeting Summary
 - August 21, 2024, [draft meeting summary](#)
 - Vote on summary

Discussion / Presentation Items

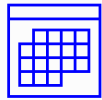

Officer Election Results

- Congratulations to Jeff Shiflet, City of Irving, on appointment to the Vice Chair position for FY25.

New Member Orientation

FY25 RSWMCC Meeting Dates:

- November 12, 2024 – NCTCOG Offices
- February 19, 2025 – Virtual
- May 21, 2025 – Virtual
- August 20, 2025 – NCTCOG Offices

[FY25 Roster](#)

[Bylaws](#) (Committee Procedures)

New Member Orientation

- Voting membership structure
 - 8 - Phase I permanent seats,
 - 12 - Phase II elected Watershed Representatives
 - 3 East Fork, 3 West Fork, 3 Elm Fork, and 3 Mainstem
 - Hold seats for a 3-year term

- Designated alternates

New Member Orientation

Subcommittees:

Public Education Task Force ([PETF](#))

- Typically meets quarterly on third Wednesday in months of **October, January, April, and July**
- **Purpose:** To create unified stormwater public education message for the region, while maintaining the uniqueness of individual municipal programs. Promotes municipal stormwater public education in region through the exchange of experience, and to explore, develop and implement opportunities for mutual cooperation.

Pollution Prevention Roundtable ([P2](#))

- Typically meets triannually in months of **November, March, and July**
- **Purpose:** Oversee programs that help cities to 1) prevent or reduce pollutant runoff from municipal operations including streets, highways, municipal parking lots, maintenance facilities, storage yards, and waste transfer stations. 2) Remove floatables and other pollutants discharged from storm sewers and develop procedures for proper disposal of these wastes.

New Member Orientation

Subcommittees:

Illicit Discharge Detection and Elimination Roundtable ([IDDE](#))

- Typically meets triannually in months of **November, March, and July**
- **Purpose:** Provide regional cooperation and initiatives focused on illicit discharges, as well as to share ideas, questions, and challenges faced in managing local programs. Prioritizes regional training workshops, as well as the development of resources identified by the IDDE Roundtable.

Regional Stormwater Monitoring Task Force

- Meets on an as-needed basis.
- **Purpose:** Provides oversight and direction regarding the stormwater sampling activities conducted under the NCTCOG Regional Wet Weather Characterization Program (RWWCP). The RWWCP is managed by NCTCOG on behalf of the Phase I Municipal Separate Storm Sewer System (MS4) entities in the region.

New Member Orientation

Information Items

FY25 Work Program

FY25 Cost Shares:

- Cost shares are based on the population tiered structure approved earlier in FY24. More information is on the [Program Participation](#) webpage.
- Invoices have recently been mailed out to region. Can email upon request.
- Next FY, will transition to electronic delivery of invoices.
- ILA's and LOA's sent to entities who requested them.
- Need to update invoice contact information? Please contact Crysta Guzman, cguzman@nctcog.org.

FY25 Work Program

NCTCOG Stormwater Training Update:

- Lee Stimpson is seeking to retire after FY25.
- Seeking committee recommendations for his replacement to teach the training classes for Stormwater Pollution Prevention Practices (SWP3) During Construction.
- Recommend a Certified Professional in Erosion and Sediment Control and a Certified Professional in Stormwater Quality.

FY2025 Work Program Subcommittees

Public Education Task Force

Texas SmartScape

2025 March is Texas SmartScape Campaign:

- Slogan: [These Roots Run Deep!](#)
- Staff working on corresponding graphic and assets over coming months. Will be shared electronically.

Texas SmartScape Website Update:

- Phase 2 update is ongoing. Will address remaining functionality such as the Event Calendar.

FY2025 Work Program Subcommittees

Public Education Task Force

Activity Reports

Activity Reports – captures the activities and metrics of PETF campaigns, initiatives, and associated websites. Free resource for cost-share members to aid in preparing annual reports.

Reporting periods:

- August 13, 2023 to August 12, 2024 – in progress
- October 1, 2023 to September 30, 2024
- December 13, 2023 to December 12, 2024
- January 1, 2024 to December 31, 2024
- January 24, 2024 to January 23, 2025

Update: Experiencing some delays due to changes in Google Analytics

FY2025 Work Program Subcommittees

Public Education Task Force

Special Projects

- Coordinating with IDDE on updating Yard Waste brochures for both Homeowners and Landscape Companies.
- Current brochures are on [Yard Waste page](#)
- Coordinating with IDDE on development of checkbox style doorhangers for residential enforcement and education
- Hosting “Show and Tell” event for members to share public education and outreach presentations
- Details and date TBD

FY2025 Work Program Subcommittees

Pollution Prevention (P2) Roundtable

- Special Projects:
- FY24 – Reveal of Updated [Municipal Pollution Prevention BMP Posters](#)
 - Posted to Pollution Prevention Program page. Old posters removed and replaced.
- FY25 – Continuation of BMP Poster template refresh with **updated photos**
 - Seeking photos from members or availability to come on site and take pictures. Will utilize a survey to collect responses.
- FY25 Training:
 - Surveying members to reach consensus on which training opportunity to offer this fiscal year.

FY2025 Work Program Subcommittees

Pollution Prevention (P2) Roundtable

- Upcoming Meeting:
 - March 20, 2025, at 10:00 AM – NCTCOG Offices
 - Will be working on confirming details of the FY25 training, reviewing photos for the BMP posters, initiating discussion on FY26 work plan and tasks.
- Program Information:
 - P2 Roundtable [subcommittee page](#)
 - P2 Roundtable [program page](#)

FY2025 Work Program Subcommittees

Illicit Discharge Detection & Elimination Roundtable

Dry Weather Screening Workshop

- Hosted on October 14th at City of Denton
- 32 RSWMCC Attendees

Upcoming Meeting:

- March 20, 2025, at 10:00 AM – NCTCOG Offices

Topics for the meeting include:

- Dry Weather Screening Workshop for September 2025
- IDDE Group to host a Fish Kill Training Workshop
- Special Project for FY25
 - Yard Waste Door Hangar

FY2025 Work Program Subcommittees

Stormwater Monitoring Program

- Initial draft of the proposal for the Fifth Term is being reviewed by TCEQ – Initial 60-day review period concluded April 22nd.
- Waiting on initial review feedback from:
 - TCEQ Stormwater
 - TCEQ WQ
 - TCEQ TMDL
 - EPA Region 6
- NCTCOG Met with TCEQ Staff in October 2024
- Anticipating TCEQ/EPA Feedback on new proposal in early November 2024

FY2025 Work Program Subcommittees

Stormwater Monitoring Program

- NCTCOG provided a draft procurement document to Phase I Monitoring Partners for review and comment in October.
- After revision from feedback, NCTCOG issued the [RFSQ#2025-006](#) for Professional Engineering Services.
- NCTCOG is seeking volunteers from Phase I communities to score responses to the RFSQ for a new contract with a consultant for the Monitoring Program.
 - The estimated timeframe for the commitment is early/mid December through early/mid January.
 - Participants will likely need to attend at least one scoring committee meeting with NCTCOG staff (Both E&D and Procurement)
- To volunteer, please email Casey Cannon, ccannon@nctcog.org.

A close-up photograph of water dripping from a metal surface, likely a gutter or roof edge. The water is captured in mid-air, creating a series of small droplets and streams. The background is a soft, out-of-focus green, suggesting a natural setting. A dark blue rectangular box is overlaid on the bottom right of the image, containing white text.

Other NCTCOG Program Updates

Join the new North Central Texas Reuse Marketplace

Post surplus workplace assets – think furniture, fixtures, equipment, machinery, and building materials – to sell or donate to other organizations in your area!

- ✓ Partnership between NCTCOG and Rheaply
- ✓ Creating a community for businesses to buy and sell locally, redirecting valuable resources away from the landfill
- ✓ Turn waste into revenue, reduce your business's carbon footprint!

For more information, contact E&D Planner, Alexa Gilbert (agilbert@nctcog.org).

This project was funded in cooperation with the North Central Texas Council of Governments and the Texas Commission on Environmental Quality.
