#### 1. **Welcome and Introductions**

2. **Approval of July 12, 2023, Meeting Summary.** The meeting summary will be presented to the Subcommittee for approval.

The meeting summary was approved as presented.

#### PRESENTATION

3. **Presentation on Stormwater Regulation at the Single Lot Level.** Janet Vick with Arlington County will present.

#### ACTION ITEMS

4. **Nominations for FY24 Leadership Team.** There will be a call for nominations for Chair & Vice-Chair positions for the subcommittee.

The subcommittee opened the floor for discussion & nominations for the Chair & Vice-Chair positions. At this time, there were no nominations and Ranjan Muttiah with the City of Fort Worth will continue serving as the Chair. Per his recommendation, the subcommittee will maintain an open call for nominations at future meetings.

COG staff also requested any feedback for developing a mission statement for the iSWM program in upcoming years. It was suggested that this be looked into by the consultant team.

#### DISCUSSION ITEMS

5. **FY24 Work Program Update.** NCTCOG will provide updates and facilitate discussion on FY24 task deliverables.

## North Central Texas Council of Governments

Task 2: iSWM Training on Development Submittal and Review is being developed by Halff Associates, Inc. with the assistance of their subconsultant Baird Hampton & Brown. There will be material to review in the coming weeks.

Task 3: The iSWM Community Panel Workshop consist of representatives of cities who have adopted iSWM criteria. Currently volunteers to take part in the panel include the City of Grand Prairie, City of Denton, & City of Dallas. COG staff will be coordinating remaining details of the workshop in the coming weeks.

Task 4: Halff Associates is conducting outreach to industry & interest groups to present at local meetings. We anticipate participating in meetings starting in early 2024.

Task 5: Halff Associates requested feedback on path forward for research regarding cumulative impacts on small footprint developments. It was suggested to develop a memorandum type deliverable covering what local communities are doing regarding this issue.

Task 6: Referring to guidance related to development submittal and review, this deliverable will be developed alongside, or in response to outcomes of the iSWM Training on Development Submittal and Review.
