### CLEBURNE REGIONAL AIRPORT

.....

VP-CPP

### PROJECT STARTED IN FEBRUARY 2021 AND WILL BE COMPLETED DECEMBER 6<sup>th</sup> with final walk through on December 16, 2021. Due to weather the project lasted longer than planned.

# RUNWAY AND TAXIWAY RECONSTRUCTION

# MILLING OF THE RUNWAY ONLY THE KEEL OF THE RUNWAY WAS RECONSTRUCTED

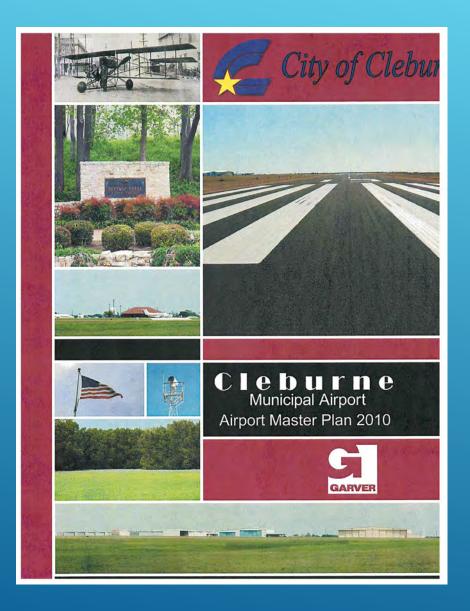

# YOU CAN SEE WHERE THE NEW MEETS THE OLD PAVEMENT

### 2021-2022 MASTER PLAN UPDATE

# **TxDOT** Aviation

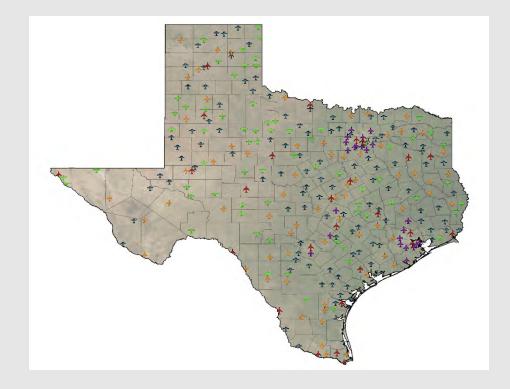

AVN 101

December 6, 2021

### **The Texas Airport System**

- 289 Airports in Texas:
  - 25 Commercial
  - 264 General Aviation
  - 24 Relievers
  - 186 in NPIAS
  - 42 Control Towers
- 8.8 Million ops (5.8 General Aviation)
- Economic impact:
  - \$94B annually
  - 780,000 jobs

AVIATION IN TEXAS

TxDOT Aviation aims to provide the safest and most efficient aviation system in the world. Our system serves our customers – the residents, businesses, and visitors of Texas – and helps them connect to the rest of the nation and the world.

#### THE TEXAS AIRPORT SYSTEM

264 General Aviation

Airports

with 186 airports included in the National Plan of Integrated Airport Sectores (NPAS)

25 Commercial

Service Airports

5.8 million General 8

Aviation Operations

8,790,641 Total Operations

December 6, 2021

- 8.8 Million ops (5.8 General Aviation)
- 15,520 based aircraft/26,424 registered aircraft
- 57,668 licensed pilots
- Economic impact:
  - \$94B annually
  - 780,000 jobs

### **TxDOT Aviation Division (AVN)**

Texas Aeronautics Commission 1945 - 1989

Texas Department of Aviation 1989 - 1991

Texas Department of Transportation 1991 - Present

Aviation Division

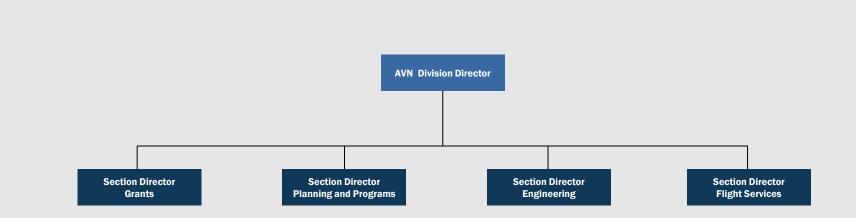

### **TxDOT Aviation Division (AVN)**

- Develop a statewide system of airports
- Maintain the system
- Support economic development
- Manage state aircraft fleet

### **TxDOT Aviation Division (AVN)**

- Annual funding is approximately \$75M
  - State Block Grant Program Apportionment \$18M
  - Non-Primary Entitlement \$27M
  - Discretionary ~ \$10M
  - State \$20M
- 1991 to 2020: \$1.9 Billion in grants issued

### 2020-2021 COVID-19 Relief

### 2020 CARES: \$11.3M for 182 eligible airports.

- \$4.5 Group 1 (project match)
- \$6.8 Group 4 (operations)
- 2021 CRSSA: \$3.3M for 167 eligible airports.
  - \$2.7M for operations
  - \$550K for towers
- 2021 ARPA: \$12.8M for 167 eligible airports
  - \$5.8M for project match
  - \$7M for operations

- Capital Improvement Program (CIP)
  - Federal or State based on eligibility
  - 90/10 Fed or State to local match for authorized projects
- Routine Airport Maintenance Program (RAMP)
  - Assists with smaller maintenance projects
  - Airside projects given first priority
  - 50/50 cost share up to \$50K max of State funding per Fiscal Year
  - Grant agreement executed prior to commencement of work

AVN 101

### **Aviation Grant Programs**

- Hangar Program
  - 90/10 cost share up \$600K max
  - Letter of Interest
- Automated Weather Observation System (AWOS)
  - 75/25 cost share
  - Letter of Interest\*

- Terminal Building Program
  - Must meet eligibility requirements (public owned/operated, fuel availability, etc)
  - 50/50 cost share for design and construction up to \$1,000,000
  - 50/50 cost share for vehicle parking & entrance road up to \$100,000
  - 90/10 cost share for aircraft parking apron in addition to the building grant amount
  - Letter of interest \*
- Air Traffic Control Tower Program
  - 90/10 cost share up to \$1,666,667
  - Cost includes structure and electronics
  - Must meet FAA Benefit Cost Analysis (BCA)

### **TxDOT Aviation...Where We Started in 1991**

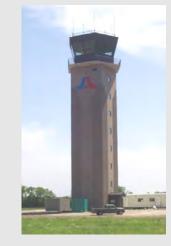

### The Elements of Airport Success: Dave's Top Ten

- 1. Good community and local government support
- 2. A good on-site Airport Manager
- 3. Airport infrastructure adequate to meet current and future needs
- 4. All-weather capability
- 5. A public facility adequate to meeting current and future needs
- 6. Weather information
- 7. 24 Hour fuel services
- 8. Secure aircraft storage capability
- 9. Maintenance, charter, flight instruction, and other services
- 10. Ground transportation availability

### Texas Aircraft Pooling Board 1979 - 2001

Texas Department of Transportation 2001 - Present

- Providing safe, efficient, and cost effective transportation to State agencies
  - Use governed by Govt Code Section 2205
  - For official travel by state officials and employees
- Provides maintenance services for state owned aircraft
- Operated on cost recovery model
- Located at ABIA

- 4 Embraer Phenom 100
- 2 Cessna Utility Aircraft

AVN 101

### Questions?

# #EndTheStreakTX

End the streak of daily deaths on Texas roadways.

### Texas Urban Air Mobility Advisory Council

- ➤Voted on today
- ➤Task Force Members Listed
  - Chad Sparks Bell
  - Chris Ash Hillwood/Alliance
  - Michael Hill Cumulus Technologies
  - ➤ Gus Khankarli City of Dallas

# Infrastructure Investment and Jobs Act

- ➢Airport Funding
  - ▶\$25 Billion over the next 5 years
- ➤The Promoting Services in Transportation Act
  - ⋟\$5 Million a year to promote Transportation Careers
- The Strengthening Mobility and Revolutionizing Transportation program
  - > \$100 Million a year over the next 5 years
  - To help cities conduct "smart city technologies" demonstrations that include supporting advanced air mobility initiatives

### > NASA Community Planning and Integration Annex

- Workshop #4 tomorrow
  - Planning and Multimodal Integration
  - Interoperable Infrastructure and Operations
  - Workforce Development

#### Regional Conference with Choctaw Nation

- February 8
- Still determining the duration

### Building Back Better Communities Grant

- > Working Groups meetings next week
  - December 7

### Know Before You Fly Your Drone Workshop -

https://www.youtube.com/watch?v=SFdemmexMXE

- Saturday December 4
- UAS Rules and Regulations
- Tyler Dicks Airspace Link's Pilot App
- ➤ Mark Colburn Notify and Fly
- Evan Merelli UAS Mapping

### **Community Integration Working Group Update**

### Cities interested in UAS Pilots and Operations

- City of Arlington
- City of Carrollton
- City of Dallas
- City of Fort Worth
- City of Frisco
- City of Lakeside
- City of Plano
- City of Richardson
- Duncanville

### Next Meeting

January 25, 2022

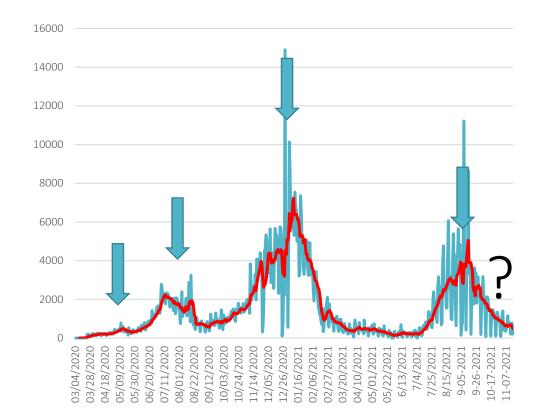

# COVID-19 Effects on North Texas Aviation

Jeff Kloska | Aviation | 12.2.2021

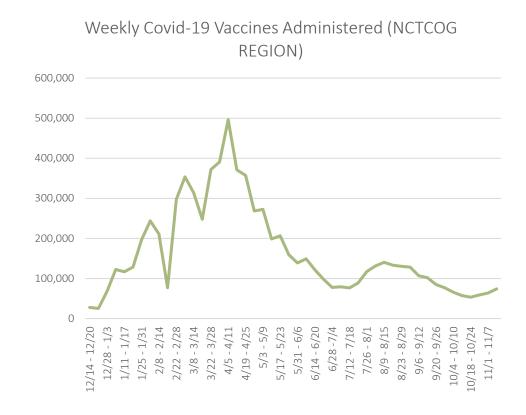

# NCTCOG Region Diagnosed New COVID -19 Cases

- Four distinct waves
- Graph only shows new tested/diagnosed cases
- Fourth wave: Delta Variant
- Potential Fifth Wave: Omicron Variant

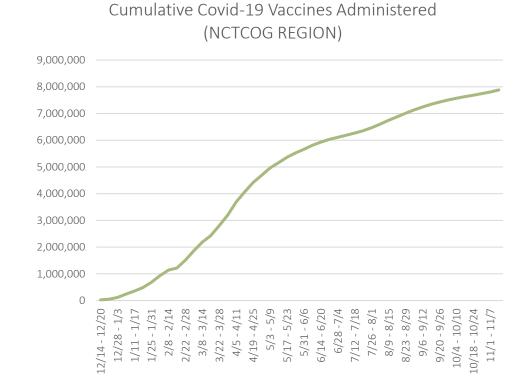

# NCTCOG Weekly Vaccination Counts (NCTCOG Region)

- Three major vaccines in United States
- Moderna, Pfizer and J&J
- Texans ages 5-11 now eligible for vaccine

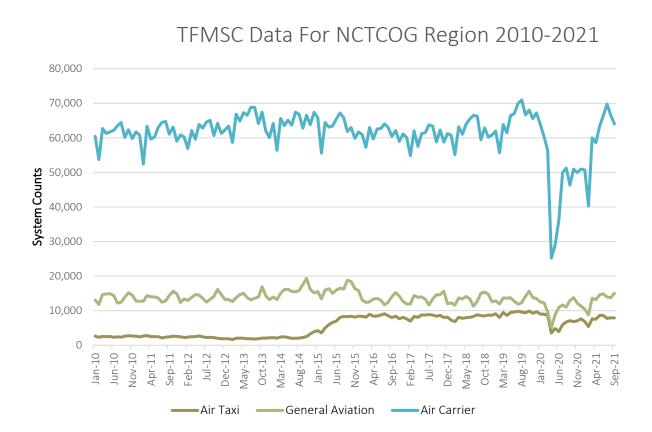

# Cumulative Vaccination Status (NCTCOG Region)

• 7.9 million doses given in the 16-county area

# FAA TFMSC Data For NCTCOG Region 2010 - 2021

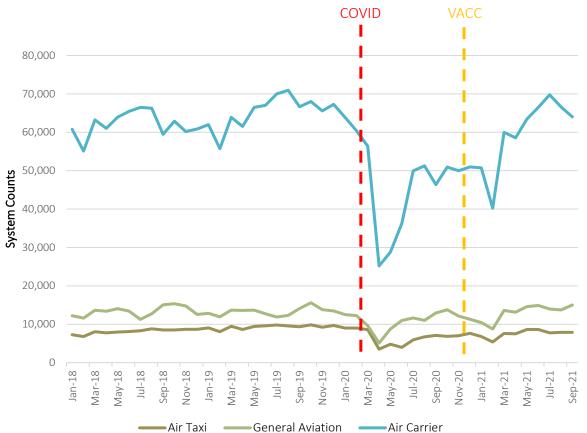

- Cases begin to spread rapidly in March 2020 and significant restrictions take hold
- Bottom falls out for the aviation industry in April 2020 as people stop traveling

### Source: FAA Traffic Flow Management System Counts (TFMSC)

# FAA TFMSC Data For NCTCOG Region 2018 - 2021

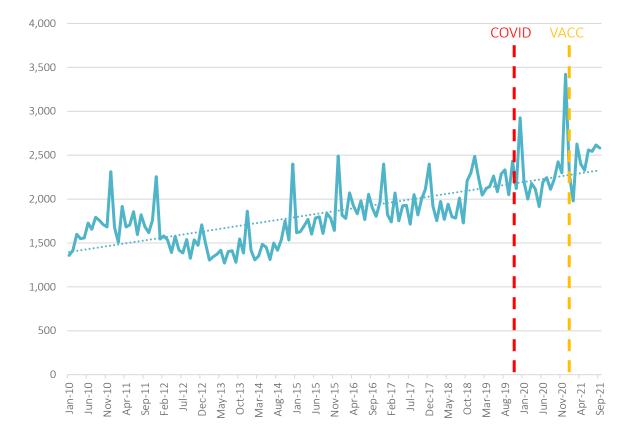

- Air carriers responded quickly to slow their cash burn
- GA quickly recovered to near pre-pandemic levels
- International travel starting to recover but Omicron is causing some to slam on the brakes

### Source: FAA Traffic Flow Management System Counts (TFMSC)

# FAA TFMSC Data for NCTCOG Region 2010 -2021 (Air Freight)

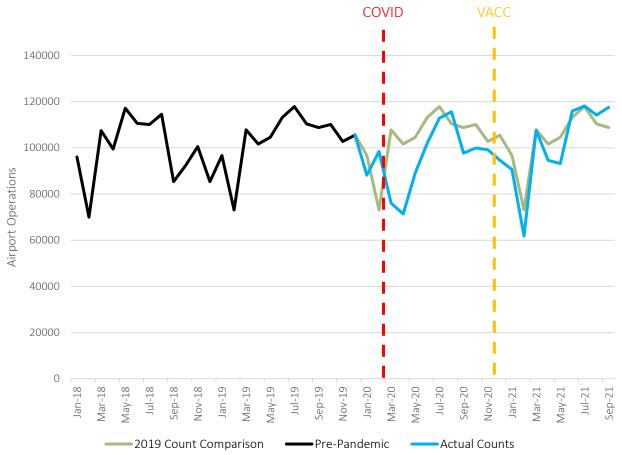

- Air freight has sustained well throughout pandemic
- Lockdowns encouraged online ordering/shipping
- Strong growth

Source: FAA Traffic Flow Management System Counts (TFMSC)

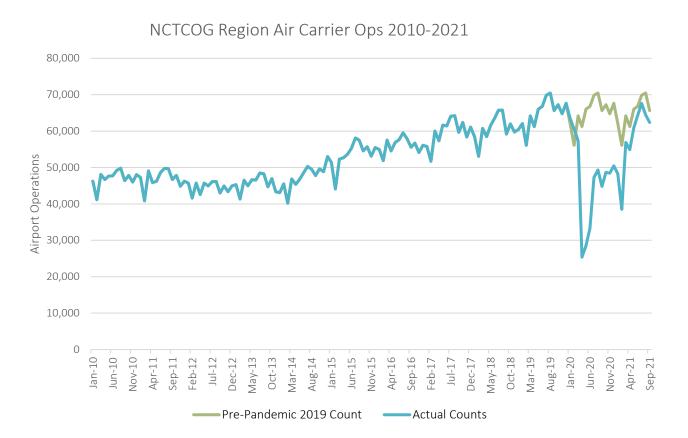

# NCTCOG Region GA Operations 2019 Compared to 2020

- General aviation's recovery was quick
- 2020 numbers remained slightly below 2019 numbers
- 2021 numbers at pre-pandemic levels for GA

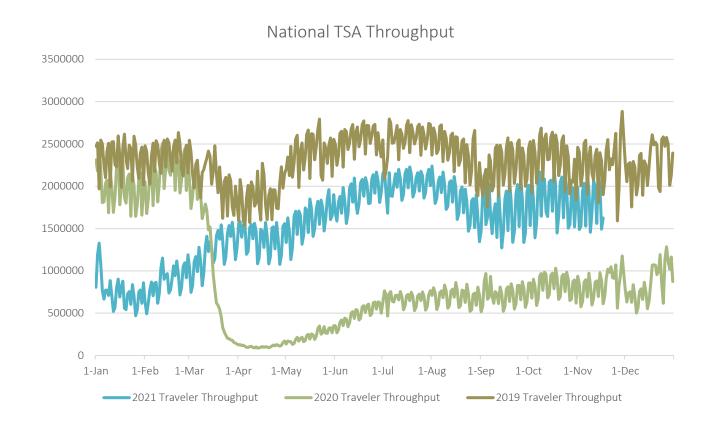

# AFW – DAL – DFW Combined Commercial Operations

- Operations have recovered to near pre-pandemic levels
- International travel still slow
- United States reopened to vaccinated international travelers in November 2021

# National TSA Throughput Counts

- Passenger travel is continuing to recover
- The reopening of borders will allow continued recovery
- It's expected that throughput counts could reach and exceed
   2019 numbers by early 2022

# Questions/Comments?
