

AGENDA

Greater Trinity River Bacteria TMDL Project Coordination Committee Meeting
Wednesday, July 23, 2014
9:30 to 11:30 a.m.
William J. Pitstick Room
NCTCOG Offices – Centerpoint II, First Floor
616 Six Flags Drive, Arlington

Welcome and Introductions – NCTCOG staff and meeting participants will be introduced.

Action and Discussion Items

- 1. 2012-2014 Recap and Technical Subcommittee Findings**
NCTCOG staff will provide an overview of the program since the last Coordination Committee in July 2012, including the results from the recent meetings of the Technical Subcommittees.
- 2. Committee Membership**
The Coordination Committee will evaluate the purpose of and membership on the technical subcommittees in light of moving toward implementation of the I-Plan rather than writing management measures. Additionally, Coordination Committee members may want to discuss membership on their own committee.
- 3. PCB Impairment Program Update**
NCTCOG staff will brief Coordination Committee members on changes to the PCB Impairment Program.
- 4. Vision 303(d) Project**
Ron Stein, TCEQ TMDL Program Manager, will discuss a new program resulting from a changing philosophy at the Texas Commission on Environmental Quality regarding recreational use impairments in the Upper Trinity watershed.
- 5. Future Plans**
Committee members and NCTCOG discuss next steps and future meetings.
