

NCTCOG Transit Planning & Management
STRATEGIC PARTNERSHIPS PROJECT PROPOSAL

Name of Strategic Partnerships Proposal	
<p>Description of Proposed Project</p> <p><i>While each project is different, a competitive proposal will include information on coordination with existing public/private transportation providers and local stakeholders and how the project is innovative in finding a way to address the transportation needs of the targeted population(s). You may use as much space as possible to fully describe your proposal. At minimum, please include 2-3 sentences describing the problem or gap and any potential solutions identified. You may submit an idea even if only partially developed. Staff will work with applicants to determine the need for additional information to support the proposal.</i></p>	
<p>Is your agency/organization proposing to implement the project directly?</p> <p><input type="checkbox"/> Yes <input type="checkbox"/> No <input type="checkbox"/> Not yet decided</p>	
<p>Project Funding:</p> <p><i>At minimum, indicate best estimate of total project cost. If proposing to implement the project directly, you must also complete the "Project Budget Workbook" and include with proposal. To be competitive, proposals should request a minimum of \$100,000 total.</i></p> <p>Total Funding Requested: \$</p>	
Service Area of Proposed Project*:	
City(s):	County(s):
Total Population in proposed service area:	
Target Population(s):	
Total Population of target audience in service area:	
<p><i>*Proposals addressing the needs of populations identified in the Environmental Justice Index (https://www.nctcog.org/trans/quality/ej) will be considered more competitive.</i></p>	

Briefly describe how the project will address the following:

*Provide service that is not duplicative of existing public transit services and services the special needs of seniors, individuals with disabilities, and/or job opportunities for low-income individuals.
Visit <https://www.nctcog.org/coordination> or reach out to staff directly to verify existing services.*

List the strategies identified in the 2018 update of Access North Texas that support the proposed project.

Explain how this project will specifically address each strategy that supports the proposed project. The regional coordination plan, Access North Texas, may be reviewed at www.accessnorthtexas.org. Proposals may reference regional and/or county specific strategies.

Describe how the proposed project addresses findings or recommendations of an NCTCOG transit study, if applicable.

Explain how this project will specifically address study findings or recommendations that support the proposed project. The transit studies may be reviewed at <https://www.nctcog.org/transitstudies>. Only proposals falling within the transit study project areas are required to complete this section.

Has your agency/organization ever implemented a project with NCTCOG or using FTA funds?

Previous project with NCTCOG Previous Project with FTA Funds No

If the answer is yes to either, please briefly describe the project:
