

PUBLIC WORKS PROGRAM BENEFITS

In partnership with the Public Works Council (PWC), the North Central Texas Council of Governments (NCTCOG) has developed a Work Program that guides NCTCOG support activities. The Work Program reflects the administrative and financial support needed for the activities associated with the PWC's expanded mission, and details the activities for the 2026 fiscal year that begins October 1, 2025.

WHAT THE PROGRAM INCLUDES:

- Ongoing Public Works Council support
- Continuing development of a Sustainable Public Rights-of-Way (SPROW) Best Management Practices (BMP) Guidebook
- Hosting trainings and maintaining the Public Works Training Calendar
- Continuing service as a FEMA Cooperating Technical Partner (CTP)
- Supporting the integrated Transportation and Stormwater Infrastructure (TSI) initiative
- Ongoing review and maintenance of Public Works Construction Standards
- Ongoing review and development of integrated Stormwater Management Program (iSWM) manuals
- Developing iSWM trainings, resources, workshops, and presentations
- Hosting the Public Works Roundup
- Ongoing coordination of cooperative purchasing agreements
- Ongoing promotion of the public works profession

FY2025 ACCOMPLISHMENTS

- 26th Annual Public Works Roundup (9/4/2025)
- Continued promotion of Public Works Construction Standards North Central Texas, Amended Fifth Edition (2023)
- Training for new inspectors
- Coordination on TXShare events and contracts
- Developing two public works promotional videos
- 1 city became iSWM-certified
- iSWM guidance on pipe utility crossings, sedimentation basins, stormwater quality monitoring program development, use of trees in detention ponds; method for calculating carbon sequestration by trees

The Regional Public Works Program relies on entities' contributions in order to accomplish the valuable work of fostering the cooperation of municipal governments and private industries in promoting consistent standards that produce better products at lower costs within the North Central Texas region. Our work would not be possible without your continued support of the Regional Public Works Program. Thank you!
