

# NORTH CENTRAL TEXAS COUNCIL OF GOVERNMENTS ECONOMIC RESILIENCE AND RECOVERY TRAINING

## Private Sector Workshop

Wednesday, May 25, 2016 (evening)

*Local businesses, whether large or small, are an integral part of the economic success of the community. Statistically 40% to 60% of small businesses never reopen after a disaster, and of those that do, 25% will close within 2 years. Less than 25% of Fortune 500 companies could be considered capable of successfully managing a corporate crisis. How prepared is your company to survive a disaster and how prepared is your jurisdiction to support an economic recovery?*
