

NCTCOG ECONOMIC RESILIENCE AND RECOVERY PLANNING

Emergency Managers Training

Friday, April 1, 2016

Because of the role that businesses and economic development organizations play in a post-disaster environment, it is imperative that they be able to resume vital functions and services as quickly as possible. The North Central Texas Council of Governments (NCTCOG) is sponsoring this workshop for emergency management professionals focusing on incorporating economic considerations into disaster recovery planning efforts and promoting business continuity planning and resiliency efforts in the private sector.
