

PassFire Burn Pan

The Passfire Burn Pans have been delivered to the four host cities and are available for training/exercises/events. Please contact the host city directly to schedule a date/time for pick up and drop off of the burn pan.

Equipment includes: Burn pan, hose, valve, regulator and instructions.

Please note, the requesting entity is responsible for supplying their own propane and ABC extinguishers for use with the burn pan. 2 certified firefighters must be present to operate the valve and light the fire.
