

BMP Posters Feedback: Consolidated Shot List

Drainage Maintenance: Inlets, Catch Basins

- Inlet & Structural Controls:
 - Should have a photo of the inlet and structural control material.
 - Photo of a curb inlet from the outside from the street side.
- Compost and Mulch:
 - Photo is missing the actual compost areas.
 - Show a landscaper blowing leaves and grass clipping into a street or inlet.
- Soil Management:
 - Should show soil erosion areas as current photo only shows inlet markings.
 - Use a picture of bare soil and mud slide onto a sidewalk. *Perry Harts has a photo if needed.*

Materials Storage

- Spill-Trapping Devices
- Safe Materials Storage
- Instructions & Procedures:
 - Photo is a too dark.
- Photos & fonts should be larger.

Fleet Maintenance A (1)

- Leaking Vehicles:
 - Update with photo showing a vehicle leaking or a drip pan being used.

Fleet Maintenance B (2)

- Cleaning Outside Work Areas:
 - Too much action in the photo. Find something simpler.
- Spills:
 - Too much action in the photo. Find something simpler.

Parks & Ground Maintenance: Chemicals

- Choosing the Right Product:
 - The white bottles appeared washed out.
- Instructions & Procedures:
 - Don't use a SDS graphic, find a label instead.
 - With the white background, this is washed out.
- Leaks & Spills:
 - What does the current photo have to do with the topic?
