1. Welcome and Introductions

2. Action Items

- The [May 11, 2017 meeting summary](#) is ready for approval

3. Subcommittee Project Discussion

- Future activities and events pertaining to:
 - Urban feral hog management (*Strategy 4.0*)
 - Development of outreach materials to address avian feeding, pet waste, and livestock management (*Strategies 4.2, 4.3, 4.6*)

Implementation Status Report (June 2017)

Strategy	Priority	Status Highlight
4.0 - Feral hog management	High	Continue to engage interested stakeholders with the potential of establishing a regional feral hog forum to discuss mgmt/coordination
4.1 - Ordinance evaluation for livestock waste mgmt, stocking rates, etc.	Low	2 TMDL communities reported having a permitting process and/or ordinance in place for livestock to be approved within the city limits
4.2 - Pet waste control measures	Medium	7 TMDL area entities have reported to engage residents through the Doo the Right Thing campaign (educate public on health and water quality impacts associated with the improper disposal of pet waste)
4.3 - Avian management plan	High	Examples of education and outreach strategies for avian management have been added to the BMP library
4.4 - Model ordinance development	Low	STS identified developing ordinances as an undesirable route to addressing pets, livestock, and wildlife challenges. STS will continue to engage in education and outreach efforts.
4.5 - Pet waste collection stations and BMPs at parks	Medium	6 TMDL area entities reporting having pet waste stations at municipal parks within jurisdictional boundaries
4.6 - Distribution of pet waste education materials	Medium	STS will continue to work with the RSWMP Public Education Task Force to support the Doo the Right Thing campaign

4. Webinars and Workshops

Past Webinars and Workshops
