---

## **New Subcommittee Description/Purpose**

The purpose of the Stormwater Technical Subcommittee, a technical subcommittee of the Total Maximum Daily Load Coordination Committee, is to identify and complete projects relating to Stormwater, Planning & Development, and Pets, Livestock, & Wildlife, as well as share information, successes, and challenges with peers.

In 2015, the Stormwater Technical Subcommittee assumed the responsibilities of the Planning and Development Technical Subcommittee and the Pets, Livestock, and Wildlife Technical Subcommittee.
