Maps produced by Atmos Energy are subject to the following:

Maps, drawings, and electronic data (products) are created for the internal purposes of Atmos Energy with no implication of suitability or fitness for the intended use of the recipient. The locations shown are approximations and are not intended to show exact locations. Products provided to other parties by Atmos Energy are for the internal use of the recipient, and the recipient agrees not to duplicate or distribute the products or any portion of the products to third parties without the prior written permission of Atmos Energy. The recipient further agrees to hold harmless and indemnify Atmos Energy against all claims, costs, expenses and damages resulting from or predicated upon any claim, including but not limited to strict liability, for personal injuries, death or property damage, on account of any defects, errors, inconsistencies or inaccuracies in the data, information, or other products provided hereunder.

Receipt/possession of Atmos Energy maps, drawings, and electronic data (products) does not negate the Recipient’s responsibility for the line locates prior to excavating. For line locates please contact 811.

Should the design or proposal of work by Recipient’s company/client create a real or potential conflict with any Atmos Energy facilities, Recipient must contact the proper Atmos Energy Representative and forward a copy of the proposed design.

Please provide the information requested below and return this letter with your signature acknowledging agreement with the above terms and conditions.

Thanks. Atmos Energy looks forward to working with you!
