

Regional Solid Waste Focus Areas Survey

The North Central Texas Council of Governments (NCTCOG), in coordination with the Resource Conservation Council (RCC), is seeking your entity's input related to solid waste activities in North Central Texas via the following survey.

NCTCOG is seeking information on current practices and strategies that are being utilized by entities in North Central Texas related to the RCC's current solid waste focus areas: Household Hazardous Waste, Electronics Recycling, Tires and Illegal Dumping, and Regional Recycling.

The feedback received from this survey will help guide the development of funding priorities for future regional projects and pass-through grants.

If you have any questions, please contact Hannah Allen at hallen@nctcog.org or (817) 695-9215.

This survey was prepared using grant funds provided by the Texas Commission on Environmental Quality.
